CHAPTER 0

RELEVANT CIRCUMSTANCES TO CONSIDER ON THE SECURITIES ISSUE OR OFFERING

0.1 Summary of the characteristics of the issued or offered securities covered by this full circular and of the procedure for their placement and allocation among investors.

The following are the main terms and conditions of this Bond Issue:

Class of security: Mortgage-Backed Bonds (the “**Bonds**”) represented by means of book entries.

Issuer: RURAL HIPOTECARIO IV FONDO DE TITULIZACIÓN HIPOTECARIA

Upon being constituted, the Fund’s assets shall consist of the Mortgage Certificates issued by Caja Rural de Aragón, S.C.C., Caja Rural de Navarra, S.C.C., Caja Rural de Zamora, S.C.C., Caja Rural del Mediterráneo, Ruralcaja S.C.C., and Caja Rural Intermediterránea, S.C.C. (the “**Originators**”), to be pooled therein.

Issue Amount: Face value of EUR 520,000,000 consisting of two Bond Series distributed as follows:

	Face Amount per Bond (EUR)	Number of Bonds	Series Total Face Value (EUR)
Series A	100,000.00	4,987	498,700,000
Series B	100,000.00	213	21,300,000

Payment of interest and repayment of principal on the Series B Bonds is deferred with respect to the Series A Bonds, as provided in the Fund Priority of Payments.

Issue Price: 100 percent of the face value of each Bond, clear of taxes and subscription costs for the subscriber through the Fund.

Ratings: Provisional ratings as of the Fund constitution date have been assigned by the Rating Agency Moody’s Investors Service España, S.A. (“**Moody’s**”) for each of the Bond Series issued by the Fund, as follows:

- **Aaa** for Series A Bonds.
- **A2** for Series B Bonds.

Moody’s expects to confirm those provisional ratings as final by the start of the Bond Subscription Period. Failure to do so would result in the Fund not being constituted, the Bond Issue not being made and the Mortgage Certificates not being issued and subscribed for.

The final ratings may be revised, suspended or withdrawn at any time by Moody’s, which would not constitute an early amortisation event of the Fund.

Secondary Bond-Trading Market: AIAF FIXED-INCOME MARKET (*AIAF MERCADO DE RENTA FIJA*).

The Management Company agrees that final listing of the Bonds in that market shall take place no later than one month after the Closing Date.

Institution in charge of the Bond accounting record: SERVICIO DE COMPENSACIÓN Y LIQUIDACIÓN DE VALORES S.A. (“**SCLV**”)

Bondholders shall be identified as such when entered in the accounting record kept by the Clearing Members of the SCLV or any replacement institution..

0.1.1 Interest Rate:

The Bonds in each Series will accrue an annual nominal interest, variable quarterly and payable quarterly in arrears on each Payment Date, being the result of applying to the both Series the corresponding nominal interest rate to the Outstanding Principal Balance on each Bond.

Accrual of Interest:

Interest will accrue in respect of Interest Accrual Periods. Each Interest Accrual Period will comprise the exact number of days elapsed between each Payment Date (February 13, May 13, August 13 and November 13 in every year), including the beginning Payment Date, but not including the ending Payment Date. Exceptionally, the duration of the first Interest Accrual Period shall be equivalent to the days elapsed between the Closing Date, inclusive, and the first Payment Date, to wit February 13, 2003, exclusive.

The nominal interest rate shall be accrued on the exact number of days elapsed in each Interest Accrual Period for which it was determined, calculated on the basis of a 360-day year.

Nominal interest rate.

The nominal interest rate shall be the result of adding: (i) the Reference Rate or the substitute Reference Rate and (ii) the following margins for each of the Series, all of which shall be rounded up to the nearest thousandth of a percentage point.

- **Series A:** 0.24% margin for Series A Bonds.
- **Series B:** 0.55% margin for Series B Bonds.

The Reference Rate for determining the nominal interest rate applicable to each of the Series is three- (3-) month Euribor rate, fixed at 11am (CET time).

The nominal interest rate for each Series shall be set on the second Business Day preceding each Payment Date and shall apply for the following Interest Accrual Period, other than for the first Interest Accrual Period where it shall be set on the second Business Day preceding the Closing Date, and shall apply for the following Interest Accrual Period.

The nominal interest rate of the Bonds in each Series for the first Interest Accrual Period shall be notified in writing by the Management Company by the start of the Subscription Period to the Lead Managers and the Underwriters and Placement Agents, to be reported to investors interested in subscribing for the Bonds. The Management Company will also notify this to the National Securities Market Commission (*Comisión Nacional del Mercado de Valores*) (“**CNMV**”), the Paying Agent, the AIAF and the SCLV.

Payment of interest and repayment of principal.

Payment of interest and repayment of principal on the Bonds in each Series shall be made quarterly in arrears on each of the Payment Dates, which shall fall on February 13, May 13, August 13 and November 13 in each year or the following Business Day, as the case may be. The first Payment Date shall be February 13, 2003.

In this Bond Issue, Business Day shall mean any day other than a Saturday, Sunday, public holiday in Madrid or non-business day in the TARGET calendar.

Payment of amounts due on each Series shall be made on each Payment Date provided that the Fund has sufficient liquidity to do so in the Priority of Payments described hereinafter.

0.1.2 Amortisation of the Bonds.

Redemption price: 100 per cent of the face value of each Bond.

Final amortisation of the Bonds:

Final amortisation shall take place on the Final Maturity Date of the Bonds, which shall be February 13, 2033, notwithstanding the possibility of an early amortisation, on the terms and conditions established in the Offering Circular.

Partial amortisation of the Bonds:

Irrespective of the Final Maturity Date, partial amortisations of the Bonds in each Series shall be made on the terms described below.

1. Amortisation of Series A Bonds.

The Series A Bonds shall be amortised pro rata between the Bonds in the actual Series by reducing the face value of each Bond, until completing the same, on each Payment Date, in an amount equal to the Available Funds for Amortisation distributed for Series A. The first Payment Date for the amortisation of Series A Bonds shall fall on February 13, 2003.

2. Amortisation of Series B Bonds.

The amortisation of Series B Bonds shall begin only when the Series A Bonds have been amortised in full. The Series B Bonds shall be amortised pro rata between the Bonds in the actual Series by reducing the face value of each Bond, until completing the same, on each Payment Date, in an amount equal to the Available Funds for Amortisation distributed for Series B.

Payment of interest and repayment of principal on the Series B Bonds is deferred with respect to the Series A Bonds, as provided in the Fund Priority of Payments.

Early amortisation of the Bonds.

Without prejudice to the Fund's obligation, through its Management Company, to amortise the Bonds on the Final Maturity Date or on each partial amortisation, as established in the preceding paragraphs, the Management Company shall be authorised, after notifying the CNMV, to proceed to an early liquidation of the Fund and hence an early amortisation, on a Payment Date, of the entire Bond Issue in the Liquidation Events in accordance with and subject to the requirements established in section III.8.1 of this Offering Circular.

0.1.4 National laws governing the securities and jurisdiction in the event of litigation.

The constitution of the Fund and Bond issue are subject to Spanish Law, as prescribed by Investment Trusts and Companies System and Mortgage Securitisation Funds Act 19/1992, July 7, Securities Market Act 24/1988, July 28, as amended by Act 37/1998, November 16, and as prescribed by Royal Decree 291/1992,

March 27, on Issues of and Public Offerings for the Sale of Securities, as amended by Royal Decree 2590/1998, December 7, on the amendment of the legal system of securities markets, and the Order dated July 12, 1993 on Offering Circulars and Other Implementations of Royal Decree 291/1992, March 27, and National Securities Market Commission Circular 2/1994, March 16.

The Deed of Constitution and the agreements for transactions hedging financial risks and the rendering of services to be entered into by the Management Company on behalf of the Fund shall be governed by and construed in accordance with Spanish Laws.

All matters, disagreements, actions and claims deriving from the Management Company's constitution, administration and legal representation of RURAL HIPOTECARIO IV FONDO DE TITULIZACIÓN HIPOTECARIA, and the Bond Issue by the same, shall be heard and decided by the competent Spanish Courts and Tribunals.

The Bondholders and the remaining creditors of the Fund shall have no action whatsoever against obligors of the Participated Mortgage Loans who may have defaulted on their payment obligations thereunder, for that action shall lie with the Management Company, representing the Fund owning the Mortgage Certificates under which the Participated Mortgage Loans are assigned.

The Bondholders and the remaining creditors of the Fund shall have no action whatsoever against the Fund or against the Management Company in the event of default of amounts due by the Fund resulting from the default of the Participated Mortgage Loans by the relevant obligors or breach by the other parties to the transactions arranged for and on behalf of the Fund.

The Bondholders and the remaining creditors of the Fund shall have no actions against the Fund Management Company other than as derived from a breach of its duties or failure to observe the provisions of the Deed of Constitution and of the Offering Circular. Those actions shall be heard in the relevant ordinary declaratory proceedings depending on the amount claimed. Moreover, the Management Company shall be liable to the extent prescribed in Act 19/1992.

0.2 Considerations regarding activities, financial position and most relevant circumstances of the issuer described in this full circular.

0.2.1 Nature of the Fund.

The Bonds subject of this Issue are issued by RURAL HIPOTECARIO IV FONDO DE TITULIZACIÓN HIPOTECARIA, constituted in accordance with Investment Trusts and Companies System and Mortgage Securitisation Funds Act 19/1992, July 7.

In accordance with this Act, the Fund is a separate closed-end estate, devoid of legal personality. Its assets comprise the Mortgage Certificates pooled therein upon being constituted and the Cash Reserve credited to the Treasury Account, and its liabilities comprise the Bonds issued, the Start-Up Loan and the Subordinated Loan, and the net worth of the Fund is nil. Pursuant to Act 19/1992, the Management Company that set up the Fund shall be legally responsible for managing and representing the Fund.

The Fund shall be in existence until February 13, 2033, the Final Maturity Date of the Bond Issue.

0.2.2 Representation of the Fund: Management Company.

The Management Company that has constituted and therefore whose duty it is to manage and represent the Fund, is EUROPEA DE TITULIZACIÓN, S.A., SOCIEDAD GESTORA DE FONDOS DE TITULIZACIÓN, on the terms set in Royal Decree 926/1998, Act 19/1992 and other applicable laws, without prejudice to the provisions of the Deed of Constitution.

It is similarly the Management Company's duty, as the manager of third-party business, to represent and defend the interests of the holders of the Bonds issued by the Fund and of all its other ordinary creditors. Consequently, the Management Company shall safeguard at all times the interests of the Bondholders and all other creditors of the Fund, making its actions conditional on their defence and observing the provisions statutorily prescribed for that purpose. The Bondholders shall have no right of action against the Fund Management Company, other than for a breach of its duties or failure to observe the provisions of the Deed of Constitution

The Management Company shall notify the Bondholders of all and any circumstances that may be relevant to them, by publishing appropriate notices on the terms established in sections III.5.2 and III.5.3 of the Offering Circular.

The Management Company may be substituted on the terms and in the events provided in the Offering Circular.

0.2.3 Assets pooled in the Fund: Mortgage Certificates.

The Fund shall pool Mortgage Certificates issued upon being constituted by:

- CAJA RURAL DE ARAGÓN, S.C.C.
- CAJA RURAL DE NAVARRA, S.C.C.
- CAJA RURAL DE ZAMORA, S.C.C.
- CAJA RURAL DEL MEDITERRÁNEO, RURALCAJA S.C.C.
- CAJA RURAL INTERMEDITERRÁNEA, S.C.C.

The Mortgage Certificates shall be issued as established in Mortgage Market Regulation Act 2/1981, March 25, Royal Decree 685/1982, March 17, implementing certain aspects of Act 2/1981, and Royal Decree 1289/1991, August 2, amending certain of the previous Royal Decree's articles.

The Mortgage Certificates represent a 100 percent share in the principal, ordinary and late-payment interest on each Participated Mortgage Loan, and in all and any other amounts, assets or rights originating in the Participated Mortgage Loans including, as the case may be, total or party early cancellation fees.

The issue price of the Mortgage Certificates is equal to the face value of the capital or principal of the Participated Mortgage Loan.

The total face value of the issue of Mortgage Certificates shall be at least equal to the aggregate amount of the Bond Issue.

The Participated Mortgage Loans are part of a selection of mortgage loans whose characteristics are described in the Offering Circular. The outstanding principal on the 9,463 mortgage loans selected as of October 23, 2002 amounted as at that date to EUR 542,966,896.67.

The Fund's rights resulting from the Mortgage Certificates will all be linked to the payments made by the obligors of the Participated Mortgage Loans and shall therefore be directly affected by their progress, delays, prepayments or any other incident related thereto.

In accordance with article 5.8 of Act 19/1992, the Originators issuing the Mortgage Certificates shall not bear the risk of default on the Mortgage Certificates and shall therefore have no liability whatsoever for default by the Obligors of principal, interest or any other amount owing by the Obligors under the Participated Mortgage Loans. They will have no liability whatsoever to directly or indirectly guarantee that the transaction will be successfully completed, nor give any guarantees or security, nor indeed agree to replace or repurchase the Mortgage Certificates, other than if any of the Mortgage Certificates should fail to conform to the representations set down in section IV.1.a) of this Circular or the specific characteristics the Originators may have communicated to the Management Company, due to a failure by the Participated Mortgage Loan underlying that Mortgage Certificate to so conform.

0.2.4 Financial transactions arranged on behalf of the Fund.

In order to consolidate the financial structure of the Fund, enhance the safety of or regularity in payment of the Bonds, cover the timing differences between the scheduled principal and interest flows on the Mortgage Certificates and the Bonds, or, generally, transform the financial characteristics of the Bonds issued, and supplement management of the Fund, the Management Company shall, on behalf of the Fund, upon executing the Deed of Constitution, proceed to formally enter into the agreements established hereinafter:

- (i) Guaranteed Interest Rate Account (Treasury Account) Agreement.
- (ii) Start-Up Loan Agreement.
- (iii) Subordinated Loan Agreement.
- (iv) Participated Mortgage Loan Servicing Agreement.
- (v) Mortgage Certificate Custody Agreement.
- (vi) Bond Issue Management, Underwriting and Placement Agreement.
- (vii) Bond Paying Agent Agreement.
- (viii) Financial Intermediation Agreement.

The Management Company may, in order for the Fund to operate on the terms provided in the Deed of Constitution, in this Circular and in the laws in force from time to time, acting for and on behalf of the Fund, extend or amend the agreements entered into on the Fund's behalf, substitute each of the service providers to the Fund under those agreements and indeed, if necessary, enter into additional agreements, including new credit facility agreements, and, in exceptional events and where that is legally possible, amend the Deed of Constitution, provided that the Management Company first notifies the CNMV or competent administrative body and the Rating Agency, and that such changes are not detrimental to the rating assigned to the Bonds by the Rating Agency. Notice of amendment of the Deed of Constitution or of the agreements shall be given by the Management Company to the CNMV as a relevant event or as a supplement to the Offering Circular, as the case may be. The Deed of Constitution or the agreements may also be corrected upon a request by the CNMV.

0.2.5 Ordinary priority rules in payments by the Fund.

Source and application of funds from the first Payment Date until the last Payment Date or final liquidation of the Fund, inclusive.

1. Source.

The available funds (the “**Available Funds**”) on each Payment Date to meet the Fund’s payment or withholding obligations listed in section 2 below shall be the following amounts credited to the Treasury Account:

- a) Mortgage Certificate principal repayment income received between the preceding Payment Date, exclusive, and the ongoing Payment Date, inclusive.
- b) Ordinary and late-payment interest income received on the Mortgage Certificates between the preceding Payment Date, exclusive, and the ongoing Payment Date, inclusive.
- c) The return received on the amounts credited to the Treasury Account, including the amount with which the Cash Reserve is provisioned.
- d) The amount with which the Cash Reserve is provisioned.
- e) Any other amounts received by the Fund between the preceding Payment Date, exclusive, and the ongoing Payment Date, inclusive, including those resulting from the sale of properties or rights awarded to the Fund, or their operation.
- f) The remainder drawing under the Start-Up Loan to the extent required to cover the timing difference between Mortgage Certificate and Bond interest on the first Payment Date.

2. Application.

The Available Funds shall be applied on each Payment Date to meeting payment or withholding obligations falling due on each Payment Date in the following priority of payments (the “**Priority of Payments**”), irrespective of the time of accrual, other than item number 1, which may be made at any time as and when due:

1. Payment of the Fund’s properly supported taxes and ordinary and extraordinary expenses, whether or not they were disbursed by the Management Company, including the management fee due to the same, and all other expenses and service fees, including those derived from the Paying Agent Agreement and the Mortgage Certificate Custody Agreement. Only expenses prepaid or disbursed on the Fund’s behalf by and amounts reimbursable to the Servicers, provided they are all properly supported, shall be made to the Servicers under the Servicing Agreement in this priority.
2. Payment of interest due on the Series A Bonds.
3. Payment of interest on the Series B Bonds.
4. Withholding of an amount sufficient for the Required Cash Reserve to be kept duly provisioned.

This application shall not occur on the Final Maturity Date or on the ending Payment Date or date of liquidation of the Fund.

5. Amortisation of Series A Bonds in the amount of the Available Funds for Amortisation.
6. Amortisation of Series B Bonds in the amount of the Available Funds for Amortisation, after the Series A Bonds have been fully amortised.
7. Payment of interest due on the Start-Up Loan.
8. Payment of interest due on the Subordinated Loan.
9. Repayment of Start-Up Loan principal.
10. Repayment of Subordinated Loan principal.
11. Payment to the Servicers under the Servicing Agreement of the fee for servicing the Participated Mortgage Loans.

In the event that any of the Servicers should be replaced by any other institution as such a Servicer, payment of the servicing fee accrued by the other institution, to wit the new servicer, shall take the place of paragraph 1 above along with the other payments included in that priority.

12. Payment of the financial intermediation margin established as a variable remuneration in the Financial Intermediation Agreement.

When accounts for different items exist in a same priority of payments and the remaining Available Funds are not sufficient to settle the amounts due under all of them, the remaining Available Funds shall be applied pro rata among the amounts payable under each such item, and the amount applied to each item shall be applied in the priority in which the accounts payable fall due.

Available Funds for Amortisation on each Payment Date.

On each Payment Date the amount to be allocated to amortising the Bonds (“**Available Funds for Amortisation**”) shall be the lower of the following amounts:

- a) The positive difference, if any, between the Outstanding Principal Balance of the Bonds and the Outstanding Balance of the Mortgage Certificates, on the Business Day preceding each Payment Date.
- b) Depending on the liquidity existing on that Payment Date, the remaining Available Funds after deducting the amounts applied to items 1 to 4 in the Priority of Payments.

Distribution of the Available Funds for Amortisation among the Bonds in each Series.

The Available Funds for Amortisation of the Bonds shall be fully used for the amortisation of Series A Bonds and will only be used for the amortisation of the Outstanding Principal Balance of Series B when the Outstanding Principal Balance of Series A is fully settled.

0.2.6 Liquidation and termination of the Fund.

Termination of the Fund.

The Fund shall terminate in any of the following events:

- i) Upon the Mortgage Certificates pooled therein being fully amortised.
- ii) By the Early Liquidation procedure established in section III.8.1 of the Offering Circular.
- iii) At all events, on the Final Maturity Date established for final Bond amortisation.

Early Liquidation of the Fund.

Following notice served on the CNMV, the Management Company shall be entitled to proceed to an Early Liquidation of the Fund and thereby an Early Amortisation, on a Payment Date, of the entire Bond Issue, when the Outstanding Balance of the Mortgage Certificates pending amortisation is less than 10 percent of the initial Outstanding Balance, in accordance with the authorisation established in article 5 of Act 19/1992, in addition to the other Early Liquidation Events contained in section III.8.1, and subject to the same requirements and procedures contained in said section.

In order to proceed to that Early Liquidation of the Fund, it shall be necessary for all the payment obligations derived from the Bonds issued by the Fund to be met and settled fully or otherwise that, before proceeding to an Early Liquidation of the Fund, the Management Company call the Bondholders purely for informative purposes. Payment obligations derived from the Bonds on the date of Early Liquidation of the Fund shall at all events be deemed to be the Outstanding Principal Balance of the Bonds on that date plus interest accrued and not paid until the Early Amortisation Date, deducting the withholding tax, if any, which amounts shall be deemed to be due and payable on that date to all statutory intents and purposes.

0.3 Risks inherent in the Bonds

a) Risk of default on the Mortgage Certificates.

Pursuant to article 5.8 of Act 19/1992, the holders of Bonds issued by the Fund shall bear the risk of default on the Mortgage Certificates pooled in the Fund. Nevertheless, the holders of Bonds in each Series shall benefit from the limited hedging afforded by the amount of the Cash Reserve, as described in section III.4.3 of this Circular. Moreover, the degree of subordination in payment of interest and repayment principal of the Series B Bonds with respect to the Series A Bonds derived from their position in the Fund Priority of Payments, is also a mechanism for distinctly hedging the different Series.

Consequently, the Originators issuing the Mortgage Certificates shall not bear the risk of default of the Mortgage Certificates and shall therefore have no liability whatsoever for the Obligors' default of principal, interest or any other amount they may owe under the Participated Mortgage Loans. They will have no liability whatsoever to directly or indirectly guarantee that the transaction will be properly performed nor give any guarantees or security, nor indeed agree to repurchase the Mortgage Certificates, other than where any of the relevant Mortgage Certificates or Participated Mortgage Loans fail to conform to the representations contained in section IV.1.a) of this Circular, and the specific characteristics of the Participated Mortgage Loans notified by the Originators to the Management Company.

The Bonds issued by the Fund neither represent nor constitute an obligation of the Originators or the Management Company. No other guarantees have been granted by any public or private organisation

whatsoever, including the Originators, the Management Company and any of their affiliated or associated companies.

b) Early-amortisation risk of the Mortgage Certificates.

There will be an early amortisation of the Mortgage Certificates pooled in the Fund when the borrowers of the Participated Mortgage Loans prepay the portion of principal pending repayment, on the terms set in each of the loan documents. Similarly, there will be a full amortisation of the Mortgage Certificates in the event that CAJA RURAL DE ARAGÓN, S.C.C., CAJA RURAL DE NAVARRA, S.C.C., CAJA RURAL DE ZAMORA, S.C.C., CAJA RURAL DEL MEDITERRÁNEO, RURALCAJA, S.C.C., and CAJA RURAL INTERMEDITERRÁNEA, S.C.C. should be substituted in the relevant Participated Mortgage Loans by any other financial institution licensed to do so.

The risk of that early amortisation shall pass quarterly on each Payment Date to the Bondholders by the partial amortisation of the Bonds.

c) Limited Liquidity.

There is no assurance that the Bonds will be traded on the market with a minimum frequency or volume.

There is no undertaking that any institution will be involved in secondary trading, giving the Bonds liquidity by offering consideration.

The Fund may in no event repurchase the Bonds from Bondholders, though they may be fully subject to early amortisation in the event of Early Liquidation of the Fund.

d) Yield.

Prepayment of the Participated Mortgage Loans is influenced by a number of geographic, economic and social factors such as Obligors' age, seasonality, market interest rates and unemployment, preventing their predictability. The calculation of the internal rate of return, average life and duration of the Bonds given in the Offering Circular is based on assumed prepayment rates that may not be fulfilled, and on future market interest rates, which may not reflect the floating nature of the nominal interest rate of each Series.

e) Late-Payment Interest.

Late payment of interest or repayment of principal to the Bondholders shall under no circumstances result in late-payment interest accruing to their favour.

f) No right of action.

Neither the Fund nor the Bondholders shall have any right of action respectively against the issuer of the Mortgage Certificates or against the Management Company other than as derived from breaches of their respective duties and hence in no event as a result of the existence of default or early amortisation.

EUROPEA DE TITULIZACIÓN S.A. SOCIEDAD GESTORA DE FONDOS DE TITULIZACIÓN, with registered office at Madrid, Lagasca, 120, having VAT Reg. no. A-80514466, sponsors RURAL HIPOTECARIO IV FONDO DE TITULIZACIÓN HIPOTECARIA (hereinafter also the “**Fund**”), and shall be responsible for managing and legally representing the same.

I.1.2 Specification that the above-mentioned individual(s) believe(s) that the information contained in the Circular is truthful and that no fact has been omitted that might alter its scope.

Mr MARIO MASIÁ VICENTE confirms that the facts and figures contained in the Circular are truthful and that no relevant detail has been omitted nor has misleading information been included.

I.2 Supervisory Bodies.

The constitution of the Fund and issue of the Mortgage-Backed Bonds (hereinafter also the “**Bonds**”) are subject to the condition precedent of their verification and registration in the Official Registers of the Comisión Nacional del Mercado de Valores (*National Securities Market Commission*) (“**CNMV**”).

This full Offering Circular regarding the constitution of the Fund and issue of the Bonds (hereinafter also the “**Circular**”) has been verified and entered in the official registers of the CNMV on November 14, 2002.

Registration of the Circular by the CNMV does not imply recommending subscription for or purchase of the securities referred to therein, nor indeed any statement whatsoever as to the solvency of the issuer or yield of the issued or offered securities.

I.3 Name, address and qualifications of the auditors who have verified the number, amount and characteristics or features of the assets securitised through the Fund.

Appendix V to this Offering Circular contains the Audit Report prepared by the firm PricewaterhouseCoopers Auditores, S.L., on a selection of portfolio mortgage loans of CAJA RURAL DE ARAGÓN, S.C.C., CAJA RURAL DE NAVARRA, S.C.C., CAJA RURAL DE ZAMORA, S.C.C., CAJA RURAL DEL MEDITERRÁNEO, RURALCAJA, S.C.C., and CAJA RURAL INTERMEDITERRÁNEA, S.C.C., part of which are the Participated Mortgage Loans to

be assigned to the Fund upon being constituted by issuing the Mortgage Certificates. The firm PricewaterhouseCoopers Auditores, S.L. is entered in the Official Register of Auditors (ROAC) under number S0242 and has its registered office in Madrid, Paseo de la Castellana number 43.

In addition to other matters, that Report deals with verifying fulfilment by the selected mortgage loans of the terms required by Act 2/1981, March 25, for issuing Mortgage Certificates. The Originators shall not include the loans with errors detected upon verifying the sample for issuing the Mortgage Certificates.

That audit was made using sampling techniques consisting of analysing a number of loans fewer (sample) than the full selection of loans (population), allowing a conclusion to be arrived at regarding that population. The verification deals with a number of both quantitative and qualitative features regarding the sample loans and specifically regarding: purpose of the loan, identification of the borrower, address of the mortgaged property, date of origination, date of maturity, initial amount, current balance, benchmark interest rate or index, interest rate applied, appraisal value, ratio current balance/appraisal value, arrears in payments, damage insurance and mortgage security.

CAJA RURAL DE ARAGÓN, S.C.C., CAJA RURAL DE NAVARRA, S.C.C., CAJA RURAL DE ZAMORA, S.C.C., CAJA RURAL DEL MEDITERRÁNEO, RURALCAJA, S.C.C., and CAJA RURAL INTERMEDITERRÁNEA, S.C.C. agree in accordance with the provisions of section IV.1.d) of this Circular that, if in spite of its own enquiries and those of the above-mentioned auditor, the existence of any Participated Mortgage Loan not fully observing the characteristics contained in section IV.1.a) of this Circular and the specific characteristics of the Participated Mortgage Loans the Originators shall have communicated to the Management Company should be detected, then they will forthwith replace the relevant Mortgage Certificate or proceed to an early amortisation thereof, as the case may be, in accordance with the provisions of section IV.1.d).

CHAPTER II

INFORMATION REGARDING THE SECURITIES ISSUED BY THE MORTGAGE SECURITISATION FUND

II.1 Information on prerequisites and resolutions necessary for the Fund to be constituted and on the securities issued by the Fund, and also on the terms for the Fund to acquire the assets (Participated Mortgage Loans with underlying Mortgage Certificates) subject of the securitisation process.

II.1.1 Issue resolutions and statutory requirements.

a) Corporate resolutions.

Resolution to issue the Mortgage Certificates:

The Management Boards of CAJA RURAL DE ARAGÓN, SOCIEDAD COOPERATIVA DE CRÉDITO, held on September 30, 2002, of CAJA RURAL DE NAVARRA, SOCIEDAD COOPERATIVA DE CRÉDITO, held on September 20, 2002, of CAJA RURAL DE ZAMORA, SOCIEDAD COOPERATIVA DE CRÉDITO, held on September 24, 2002, the Management Board and the Executive Committee of the Management Board of CAJA RURAL DEL MEDITERRÁNEO, RURALCAJA, SOCIEDAD COOPERATIVA DE CRÉDITO, respectively held on July 2, 2002 and June 24, 2002, and the Executive Committee of the Management Board of CAJA RURAL INTERMEDITERRÁNEA, SOCIEDAD COOPERATIVA DE CRÉDITO, held on July 23, 2002, (the “**Originator(s)**”), resolved to authorise the issue of mortgage certificates (the “**Mortgage Certificates**”) to be fully subscribed for by the Fund forthwith upon being constituted. The characteristics of the issue of Mortgage Certificates pooled in the Fund are described in Chapter IV.1. Attached as Appendix II to this Circular is a photocopy of the transcript of the resolutions of each of the Originators’ Management Boards or Executive Committees.

Resolution to set up the Fund:

At its meeting dated October 9, 2002, the Executive Committee of the Board of Directors of EUROPEA DE TITULIZACIÓN S.A. SOCIEDAD GESTORA DE FONDOS DE TITULIZACIÓN, resolved that RURAL HIPOTECARIO IV FONDO DE TITULIZACIÓN HIPOTECARIA be constituted in accordance with the legal system provided by Act 19/1992, to subscribe for the Mortgage Certificates issued by the Originators and that the Bonds be issued by the Fund. Attached as Appendix III hereto is a photocopy of the transcript of the resolutions of the Executive Committee of the Management Company’s Board of Directors.

b) Execution of the Fund public deed of constitution.

Upon the CNMV verifying and registering this Offering Circular and by November 15, 2002, without the Bond Subscription Period having yet begun, the Management Company along with the Originators issuing the Mortgage Certificates to be subscribed for by the Fund, shall proceed to execute a public deed whereby RURAL HIPOTECARIO IV FONDO DE TITULIZACIÓN HIPOTECARIA will be constituted, the Mortgage Certificates will be issued and subscribed for and the Mortgage-Backed Bonds will be issued (the “**Deed of Constitution**”), on the terms provided in Act 19/1992.

The following summarises the contents of the Deed of Constitution: (i) the Mortgage Certificates pooled in the Fund and the rules for replacement in the event of early amortisation thereof will be specified, (ii) the terms of the Bonds to be issued will be precisely defined, (iii) the rules to be observed by the Fund

will be set and (iv) the transactions that the Management Company may carry out on behalf of the Fund will be established in order to enhance the safety of or regularity in payment of the Bonds and cover timing differences between the scheduled flows of principal and interest on the Mortgage Certificates and on the Bonds. In this sense, the Deed of Constitution shall provide that the Fund may, through its Management Company, enter into the agreements specified in section V.3 of the Circular.

The Deed of Constitution shall be submitted to the CNMV to be entered in the public registers before the Bond Subscription Period begins.

II.1.2 Information on prerequisites and resolutions for listing on the Stock Exchange or on an organised secondary market.

In accordance with article 5.9 of Act 19/1992, the Bonds issued by the Fund shall be exclusively represented by means of book entries and the Fund Deed of Constitution shall have the effects provided in article 6 of the Securities Market Act. The Management Company shall, for and on behalf of the Fund, forthwith upon the execution of the Deed of Constitution, apply for the issue to be included in the Servicio de Compensación y Liquidación de Valores, S.A. (“SCLV”) or any other institution hereafter taking its stead, and, once the Bonds have been paid up, for this Bond issue to be included in AIAF Fixed-Income Market (“AIAF”), which is a recognised official secondary securities market, in order for the Bonds to be traded, cleared and settled in accordance with the operating rules which may be established to that end or henceforth approved by the SCLV and AIAF, or any other institution taking their stead. It is expected that definitive AIAF listing will be achieved not later than one month after the Closing Date.

II.2 Administrative authorisation prior to the issue or offering, specifying resultant details or restrictions. Specification of the warnings and considerations made by the CNMV pursuant to article 1.9 of the Economy and Finance Ministry’s Order dated July 12, 1993 on offering circulars.

No prior administrative authorisation other than prior verification and registration by the CNMV is required.

The CNMV has made no warning or consideration concerning the constitution of the Fund and issue of the Bonds.

II.3 Assessment of the risk inherent in the securities issued by the Fund by a rating firm recognised by the CNMV.

The Management Company has entrusted the assessment of the credit risk of the Bonds to Moody’s Investors Service España, S.A. (hereinafter “Moody’s” or the “Rating Agency”), a rating agency recognised by the CNMV, for the purposes of the provisions of article 5.8 of Act 19/1992.

Rating assigned to the Bond issue.

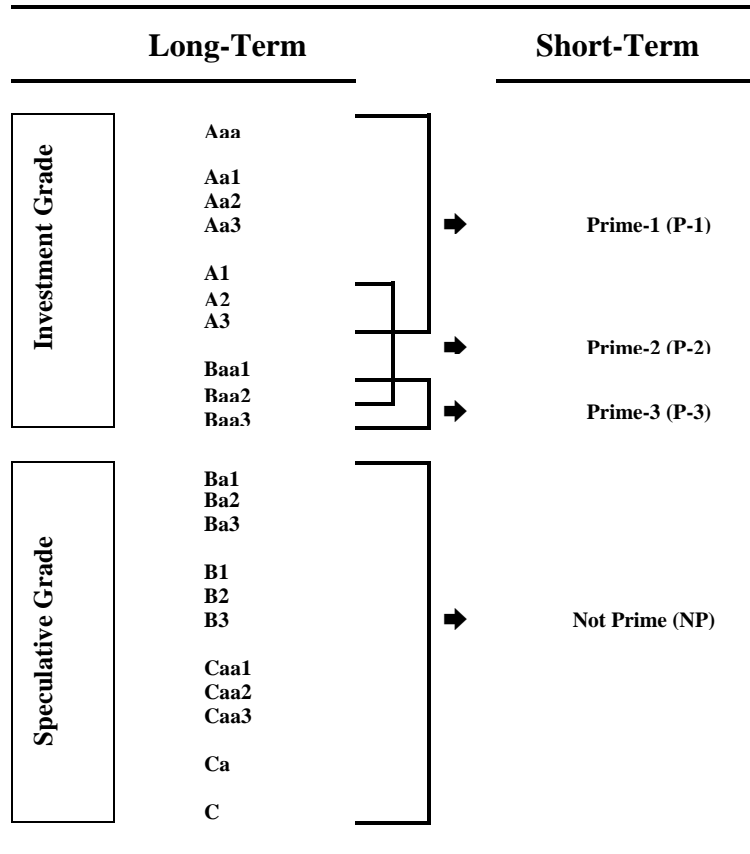

On November 12, 2002 Moody’s assigned the following provisional ratings to each of the Bond Series, and expects to assign the same final ratings by the start of the Bond Subscription Period. Appendix IV to this Circular contains a copy of the letter from Moody’s notifying the provisional ratings assigned.

Bond Series	Moody’s Rating
Series A	Aaa
Series B	A2

If the Rating Agency should not confirm the assigned provisional ratings as final by the start of the Subscription Period, this circumstance would forthwith be notified to the CNMV and be publicised in the manner for which provision is made in section III.5.3.c). Furthermore, this circumstance would result in the Fund constitution, issue of and subscription for the Mortgage Certificates and Bond Issue being terminated.

Ratings given by Moody's.

The following are Moody's rating scales for long- and short-term debt issues:

The following is the meaning ascribed by Moody's to the long- and short-term ratings used in this Offering Circular.

Long-Term

- Aaa** Bonds which are rated "Aaa" are judged to be of the best quality. They carry the smallest degree of investment risk and are generally referred to as "gilt-edged". Interest payments are protected by a large or by an exceptionally stable margin and the principal is secure.
- A** Bonds which are rated "A" possess many favourable investment attributes and are to be considered as upper-medium-grade obligations. Factors giving security to principal and interest payments are considered adequate, but elements may be present which suggest a susceptibility to impairment some time in the future.

Short-Term

- P-1** Superior ability to repay short-term debt obligations.

Moody's applies numerical modifiers 1, 2, and 3 in each long-term rating category from Aa through Caa, inclusive. Modifier 1 indicates that the security ranks in the higher end of its rating category; modifier 2 indicates a mid-range ranking; and modifier 3 indicates a ranking in the lower end..

Rating considerations.

The ratings assigned to each of the Bond Series is the Rating Agency's opinion about the credit risk, the Fund's ability to meet payments of interest as they fall due on each set Payment Date and of the principal of the issue throughout the life of the transaction and, at all events, before the Final Maturity Date. The rating takes into account the structure of the Bond issue, the legal aspects thereof and of the issuing Fund, the characteristics of the mortgage loans selected for issuing the Mortgage Certificates and the regularity and continuity of the operating flows.

Moody's ratings are not an assessment of the likelihood of Obligor's prepaying principal, nor indeed of the extent to which such prepayments differ from what was originally forecast. The ratings are not by any means a rating of the level of actuarial performance.

The ratings assigned, and any revision or suspension of the ratings:

- (i) are assigned by Moody's based on manifold information received with respect to which Moody's gives no assurance, nor even as to their accuracy or wholeness, wherefore Moody's may in no event be deemed to be responsible therefor; and
- (ii) are not and cannot therefore be howsoever construed as an invitation, recommendation or encouragement for investors to proceed to carry out any transaction whatsoever on the Bonds and, in particular, acquire, keep, charge or sell those Bonds.

Moody's may revise, suspend or withdraw the final ratings assigned at any time, based on any information that may come to its notice. Those events, which shall not constitute early liquidation events of the Fund, shall forthwith be notified to both the CNMV and the Bondholders, in accordance with the provisions of section III.5.3.

In carrying on the rating and monitoring process, Moody's relies on the accuracy and wholeness of the information provided by the Originators, the Management Company, the auditors, the lawyers and other experts.

Undertakings by the Management Company.

The Management Company, on behalf of the Fund, agrees to report regularly to Moody's as to the status of the Fund and the performance of the Mortgage Certificates. It shall also report when reasonably required to do so and in any event whenever there is a change in the conditions of the Fund, in the agreements entered into by the Fund through its Management Company or in the parties concerned.

II.4 Nature and denomination of the securities offered specifying the issue or series number.

The amount of the issue of Mortgage-Backed Bonds (the "Bond Issue" or generically the "Bonds") totals a face value of EUR five hundred and twenty million (520,000,000) and consists of five thousand two hundred (5,200) Bonds pooled in two Series A and B as detailed in section II.6 hereinafter.

II.4.1 Legal system of the securities, specifying the procedures guaranteeing the certainty and effectiveness of the rights of their first and subsequent holders. Servicing implications in each of the series of securities issued by the Fund of the compulsory connection between the schedule of principal and interest payments on those securities and the cash flows of the assets securitised through the Fund.

The constitution of the Fund and the Bond Issue by the same are carried out pursuant to Act 19/1992.

The Bonds legally qualify as marketable fixed-income securities with an explicit yield and are subject to the system prescribed in the Securities Market Act.

As provided in section II.5 of this chapter, the Bonds shall be represented by means of book entries. The Bondholders will be identified as such when entered in the accounting record kept by the SCLV or any other replacement organisation, and the relevant clearing member may issue certificates of title when so requested by the Bondholder and at the Bondholder's expense; the provisions of Title I, Chapter I, section four of the Book Entries and Stock Exchange Transaction Clearing and Settlement Royal Decree 116/1992, February 14, will apply in this connection ("**Royal Decree 116/1992**").

The Bonds may be freely transferred by any means admissible at Law. A transfer in the accounts will convey the ownership of each Bond. The effects of entering the conveyance to the transferee in the accounting record shall be the same as handing over the certificates and the transfer shall thereupon be enforceable on third parties. In this sense, no claim may be lodged against a third party acquiring the Bonds represented by book entries for valuable consideration from whoever has capacity to transfer the same, according to the book entries, unless he acted in bad faith or with gross negligence at the time of the acquisition.

The Bondholders are bound in respect of Bond interest payment and principal repayment by the Fund Priority of Payments.

In order to cover timing differences between the scheduled flows of repayment of principal and interest on the Mortgage Certificates and on the Bonds issued by the Fund, the Management Company, on behalf of the Fund, shall enter into a Guaranteed Interest Rate Account (Treasury Account) Agreement with BANCOVAL whereby the amounts received by the Fund from the Mortgage Certificates, both as repayment of principal and interest, as well as the amounts referred to in section V.3.1 of the Circular, will be invested until the next Bond Payment Date, on which the principal repayment and interest payment on the Bonds shall fall due. Additionally, the Fund has other financial hedge transactions covering up to a limit the risk of shortfall of the Fund's resources for servicing the Bonds, which the Rating Agency has deemed sufficient to assign to each Bond Series the rating referred to in section II.3 of this Circular.

II.4.2 Other implications and risks that might, due to the legal and economic nature of the assets pooled in the Fund, affect servicing of the securities issued by the Fund as a result of the process for securitising those assets.

a) Risk of default on the Mortgage Certificates:

Pursuant to article 5.8 of Act 19/1992, the holders of Bonds issued by the Fund shall bear the risk of default on the Mortgage Certificates pooled in the Fund. Nevertheless, the holders of Bonds in each Series shall benefit from the limited hedging afforded by the amount of the Cash Reserve, as described in section V.3.3 of this Circular. Moreover, the degree of subordination in payment of interest and repayment of principal of the Series B Bonds with respect to the Series A Bonds derived from their position in the Fund Priority of Payments, is also a mechanism for distinctly hedging the different Series.

Consequently, the Originators shall have no liability whatsoever for the mortgagors' default of principal, interest or any other amount they may owe under the Participated Mortgage Loans. They will have no liability whatsoever to directly or indirectly guarantee that the transaction will be properly performed nor give any guarantees or security, nor indeed agree to repurchase the Mortgage Certificates, other than where any of the relevant Mortgage Certificates or Participated Mortgage Loans fail to conform to the representations contained in section IV.1.a) of this Circular, and the specific characteristics of the Participated Mortgage Loans notified by the Originators to the Management Company.

The Bonds issued by the Fund neither represent nor constitute an obligation of the Originators or the Management Company. No other guarantees have been granted by any public or private organisation whatsoever, including the Originators, the Management Company and any of their affiliated or associated companies.

b) Early-amortisation risk of the Mortgage Certificates:

There will be an early amortisation of the Mortgage Certificates pooled in the Fund when the borrowers of the Participated Mortgage Loans prepay the portion of principal pending repayment, on the terms set in each of the loan documents. Similarly, there will be a full amortisation of the Mortgage Certificates in the event that the Originators should be substituted in the relevant Participated Mortgage Loans by any other financial institution licensed to do so, subject to Mortgage Loan Subrogation and Amendment Act 2/1994, March 30 ("Act 2/1994").

The risk of that early amortisation shall pass quarterly on each Payment Date to the Bondholders by the partial amortisation of the Bonds, in accordance with the provisions of section II.11.3.3 of this Circular.

c) Limited Liquidity.

There is no assurance that the Bonds will be traded on the market with a minimum frequency or volume.

There is no undertaking that any institution will be involved in secondary trading, giving the Bonds liquidity by offering consideration.

The Fund may in no event repurchase the Bonds from Bondholders, though they may be fully subject to early amortisation in the event of Early Liquidation of the Fund, on the terms established in section III.8.1 of this Circular.

d) Yield.

Prepayment of the Participated Mortgage Loans is influenced by a number of geographic, economic and social factors such as Obligors' age, seasonality, market interest rates and unemployment, preventing their predictability.

The calculation of the internal rate of return, average life and duration of the Bonds is based, inter alia, on assumed prepayment rates of the Participated Mortgage Loans that may not be fulfilled, and on future market interest rates, which may not reflect the floating nature of the nominal interest rate of each Series.

e) Late-Payment Interest.

The late payment of interest or repayment of principal to the Bondholders shall under no circumstances result in late-payment interest accruing to their favour.

f) No right of action.

Neither the Fund nor the Bondholders shall have any right of action respectively against the Originators issuing the Mortgage Certificates or against the Management Company other than as derived from breaches of their respective duties and hence in no event as a result of the existence of default or early amortisation.

II.5 Form of representation and name and place of business of the institution in charge of the accounting record.

The Bonds issued by the Fund will be exclusively represented by means of book entries, in accordance with the provisions of article 5.9 of Act 19/1992, and will become such Bonds when entered in the appropriate accounting record. In this connection, and for the record, the Deed of Constitution shall have the effects prescribed by article 6 of the Securities Market Act.

The SCLV shall be the institution designated in the Deed of Constitution to account for the Bonds in order for the Bonds to be cleared and settled in accordance with the operating rules regarding securities listed on the AIAF, and represented by book entries, now established or approved in the future by the SCLV or any other replacement institution. Such designation shall be entered in the Official Registers of the CNMV. Bondholders shall be identified as such when entered in the accounting record kept by the clearing members of the SCLV or any other replacement institution.

SCLV has its place of business at calle Orense, no. 34, Madrid.

II.6 Face amount of the securities altogether issued by the Fund, number of securities comprised and their numbering, as the case may be, itemised by the various constituent series.

The amount of the Bond Issue totals a face value of EUR five hundred and twenty million (520,000,000) and consists of 5,200 Bonds represented by means of book entries, pooled in two Bond series distributed as follows:

- i) Series A having a total face amount of EUR four hundred and ninety-eight million seven hundred thousand (498,700,000) comprising four thousand nine hundred and eighty-seven (4,987) Bonds having a unit face value of EUR one hundred thousand (100,000).
- ii) Series B having a total face amount of EUR twenty-one million three hundred thousand (21,300,000) comprising two hundred and thirteen (213) Bonds having a unit face value of EUR one hundred thousand (100,000).

Payment of interest and repayment of principal on the Series B Bonds is deferred with respect to the Series A Bonds, as provided in the Fund Priority of Payments.

Subscribing for or holding Bonds in one Series does not imply subscribing for or holding Bonds in the other Series.

II.7 Face and actual amounts of each security, specifying the issue premium, if any, expressed in proportion to the face value and in monetary units per security. Currency in which each of the Series of securities issued by the Fund is denominated.

The Bonds are issued at 100 percent of their face value. The issue price of the Bonds in both Series A and B shall be EUR one hundred thousand (100,000) per Bond, clear of taxes and subscription costs for the subscriber through the Fund.

The expenses and taxes attaching to the Bond issue shall be borne by the Fund.

II.8 Fees and related expenses of every description that must be borne by the investors upon subscribing for the securities issued by the Fund.

The Fund, as Bond issuer, shall neither shift to nor charge the investor any expense item whatsoever for subscribing for the Bonds.

II.9 Specification, as appropriate, of the existence, as the case may be, of fees to be borne by the holders of the securities issued by the Fund, mandatorily represented as book entries, for entering and maintaining a balance.

The expenses of including the Bond issue in the accounting record of the SCLV shall be borne by the Fund and may not be shifted to the Bondholders. This institution charges no fee whatsoever for maintaining a balance.

In accordance with the laws in force for the time being, the members of the SCLV may nevertheless establish such fees and expenses to be charged to the Bondholder, for managing securities, as they may freely determine, and duly notified to the Bank of Spain or the CNMV, being their supervisory bodies.

II.10 Interest rate clause:

II.10.1 Nominal interest rate.

The Bonds in each Series shall accrue a yearly nominal interest, variable and payable quarterly, which shall be the result of applying the terms established hereinafter.

The resultant yearly nominal interest rate (hereinafter “nominal interest rate”) shall be payable quarterly in arrears on each Payment Date on the Outstanding Principal Balance of the Bonds in each Series, provided that the Fund has sufficient liquidity in the Priority of Payments.

The withholdings, contributions and taxes established or to be established in the future on the principal, interest or return of the Bonds, shall be borne exclusively by the Bondholders, and their amount shall be deducted, as the case may be, by the Management Company, for and on behalf of the Fund, as provided by law.

a) Interest accrual.

The duration of this issue shall be divided into successive interest accrual periods (“**Interest Accrual Periods**”) comprising the exact number of days elapsed between each Payment Date, each Interest Accrual Period including the beginning Payment Date but not including the ending Payment Date.

Exceptionally, the duration of the first Interest Accrual Period shall be equivalent to the days elapsed between the Closing Date, inclusive, and the first Payment Date, to wit February 13, 2003, exclusive.

The nominal interest rate shall accrue on the exact number of days elapsed in each Interest Accrual Period for which it was determined, calculated based upon a 360-day year.

b) Nominal interest rate.

The nominal interest rate applicable to each of the Series determined for each Interest Accrual Period shall be the result of adding: (i) the Reference Rate, as established in section c) below, and (ii) the following margins for each Series, all of which shall be rounded up to the nearest thousandth of a percentage point.

- **Series A:** 0.24% margin.
- **Series B:** 0.55% margin.

c) Reference Rate and determining the same.

The reference rate (the “**Reference Rate**”) for determining the nominal interest rate applicable to each of the Bond Series is as follows:

- (i) Euribor, “Euro Interbank Offered Rate”, calculated and distributed by the BRIDGE financial information system under an FBE (“Federation Bancaire de l’Union Europeene”) mandate, with a three- (3-) month maturity, fixed at 11am (CET time “Central European Time”) on the Interest Rate Fixing Date described below, which is currently published on electronic pages EURIBOR01 supplied by Reuters, and 248 supplied by Dow Jones Markets (Bridge Telerate), or any other page taking their stead in providing these services.

The Euribor rate is currently the term interbank deposit offered rate in euros calculated as the daily average of the quotations supplied by a panel consisting of 57 Banks, from among the most active banks in the Euro zone. The rate is quoted based on a count of the actual days to maturity and a 360-day year, and is fixed at 11am (CET time), accurate to three decimal places.

- (ii) In the event that the rate established in paragraph (i) above should not be available or be impossible to obtain, the substitute Reference Rate shall be the interest rate resulting from finding the simple arithmetic mean of the interbank offered interest rates for non-transferable deposit transactions in euros with a three- (3-) month maturity, on the Interest Rate Fixing Date, declared by the banks listed below, following a simultaneous request to each of them:

- Banco Bilbao Vizcaya Argentaria, S.A.
- Banco Santander Central Hispano, S.A.
- Deutsche Bank
- Société Générale
- Rabobank Nederland N.V.

In the event that it should be impossible to apply the above substitute Reference Rate, due to the failure by any or several of said banks to provide a statement of quotations, the interest rate resulting from applying the simple arithmetic mean of the interest rates declared by at least two of the other banks shall be applicable.

iii) If the rates established in paragraphs i) and ii) above should not be available or be impossible to obtain, the last Reference Rate applied to the last Interest Accrual Period shall apply, and so on for successive Interest Accrual Periods whilst matters remain the same.

On each of the Interest Rate Fixing Dates, the Paying Agent shall notify the Management Company of the Reference Rate determined in accordance with paragraphs i) and ii) above. The Management Company shall keep the printouts with the contents of the Reuters or Bridge Telerate screens or, as the case may be, the statements of quotations of the above-mentioned banks, as documents establishing the Reference Rate determined.

d) Interest Rate Fixing Date.

The nominal interest rate applicable to both Bond Series for each Interest Accrual Period shall be determined by the Management Company, for and on behalf of the Fund, as provided in sections b) and c) above, based upon the Reference Rate or its substitute, on the second Business Day before each Payment Date (the “**Interest Rate Fixing Date**”) and will apply for the following Interest Accrual Period.

Exceptionally, the nominal interest rate applicable to the Bonds in each of the Series for the first Interest Accrual Period shall be determined as provided in sections b) and c) above, based upon the Reference Rate (three- (3-) month Euribor rate), albeit referred to the second Business Day preceding the Closing Date, and shall be notified in writing by the Management Company by the start of the Subscription Period to the Lead Managers and the Underwriters and Placement Agents in order to be reported to investors interested in subscribing for the Bonds. The Management Company will also notify this to the CNMV, the Paying Agent, the AIAF and the SCLV.

The nominal interest rates determined for each of the Bond Series for successive Interest Accrual Periods shall be communicated to the Bondholders within the time period and in the manner for which provision is made in sections III.5.3.a) and c).

e) Formula for calculating the interest.

Interest settlement payable on each Payment Date for each Interest Accrual Period, shall be calculated in accordance with the following formula:

$$I = P \times \frac{R}{100} \times \frac{d}{360}$$

Where:

I = Interest payable on a given Payment Date, rounded up to the nearest euro cent.

P = Outstanding Principal Balance of the Bonds in the Series at the beginning of the Interest Accrual Period falling on that Payment Date.

R = Nominal interest rate expressed as a yearly percentage.

d = Number of days actually corresponding to each Interest Accrual Period.

f) Example for fixing the nominal interest rate.

As established in this section and for an easier understanding by the subscriber of the system for fixing the nominal interest rate and the amount of the interest to be received for each Bond in each Series on each Payment Date, the manner of calculating the same for the following event is shown below:

	Series A Bonds	Series B Bonds
1 Outstanding Principal Balance per Bond	EUR 100,000	EUR 100,000
2 Interest Accrual Period Days	91	91
3 3-month Euribor Rate	3.233	3.233
4 Margin	0.24	0.55
5 Nominal interest rate: rounded to the nearest ten thousandth of a percentage point	3.473	3.783
6 Calculation of the interest accrued per Bond (1)*(2)*(5)/36000	877.89722	956.25833
7 Amount of interest payable per Bond: rounded up to the nearest euro cent	877.90	956.26

g) Informative table on the evolution of the reference rate to be used.

For merely illustrative purposes, below are details of the three- (3-) month Euribor rates published on certain dates, which would match the Payment Dates, over the last two years on the EURIBOR01 electronic page supplied by Reuters, and the nominal interest rates that would result if applied to each of the Bond Series:

II.10.2 Simple confirmation of the priority of the interest payment of the securities issued by the Fund in the Fund priority of payments, and specification of the section and pages of this circular in which the rules of priority established in the Fund’s payments are described, and specifically those affecting interest payments on those securities.

Payment of interest accrued by the Series A Bonds is second (2nd) in the Priority of Payments established in section V.4.2.2, page 114 of this Circular.

Payment of interest accrued by the Series B Bonds is third (3rd) in the Priority of Payments established in section V.4.2.2, page 114 of this Circular.

II.10.3 Dates, place, institutions and procedure for paying interest.

Interest on the Bonds in both Series will be paid in arrears on February 13, May 13, August 13 and November 13 of each year until they are fully amortised (each of those dates, a “**Payment Date**”), on the terms established in section II.10.1. of this Circular.

In the event that any of the dates established in the preceding paragraph should not be a Business Day, the Payment Date shall be the following Business Day, and interest for the ongoing Interest Accrual Period will accrue until said first Business Day, not inclusive.

The first interest Payment Date for the Bonds in both Series shall be February 13, 2003, and interest will accrue at the relevant nominal interest rate between the Closing Date, inclusive, and February 13, 2003, exclusive.

For the purposes of this Bond Issue, Business Days shall be deemed to be all days other than a:

- Saturday,
- Sunday,
- public holiday in Madrid, or
- non-business day in the TARGET calendar (Trans European Automated Real-Time Gross Settlement Express Transfer System).

Both the interest resulting for the Bondholders in each of the Series and the amount of the interest accrued and not paid, if any, shall be notified to the Bondholders as described in section III.5.3 of this Circular, at least one (1) calendar day in advance of each Payment Date.

The interest accrued on the Bonds shall be paid on each Payment Date provided that the Fund has sufficient liquidity to do so in the Priority of Payments.

In the event that on a Payment Date the Fund should be unable to make full or partial payment of the interest accrued by the Bonds in any of the Series, in the Priority of Payments, the amounts that the Bondholders should not have received shall be accumulated on the next Payment Date to the interest on the actual Series that, as the case may be, should be paid on that same Payment Date, and will be paid in the Priority of Payments and applied by order of maturity if it should be impossible once again not to pay the same fully due to a shortage of Available Funds.

Deferred interest amounts shall accrue for the holders an interest equivalent to that applied to the Bonds in their respective Series for the Interest Accrual Period(s) until the Payment Date on which they are paid, without late-payment interest and without this entailing a capitalisation of the debt.

The Fund, through its Management Company, may not defer Bond interest payment beyond February 13, 2033, the Final Maturity Date, or the next Business Day if that date is not a Business Day.

The Bond issue shall be serviced through the Paying Agent, to which end the Management Company shall, for and on behalf of the Fund, enter into a Paying Agent Agreement with BANCO COOPERATIVO.

II.11 Amortisation of the securities.

II.11.1 Redemption price, specifying the existence of premiums, rewards, lots or any other financial advantage.

The redemption price of the Bonds in both Series A and B shall be EUR one hundred thousand (100,000) per Bond, equivalent to 100 percent of their face value, payable partly on each Payment Date as established in section II.11.3 of this Chapter.

Each and every one of the Bonds in a same Series shall be amortised in an equal amount by reducing the face amount of each of the Bonds.

Amortisation of the Bonds in each Series shall be made pro rata among the Bonds in the actual Series by reducing the face value of each Bond, until completing the same, on each Payment Date, in an amount equal to the Available Funds for Amortisation distributed for the Series in accordance with the rules established in section II.11.3 of this Chapter.

II.11.2 Simple specification of the order number the payment of principal on the securities issued by the Fund has in the Fund payment priority, and specification of the section and pages of this Circular in which the rules of priority established in the Fund's payments are described, and specifically those affecting principal payments on those securities.

Repayment of Series A Bond principal is fifth (5th) in the Priority of Payments established in section V.4.2.2, page 114 of this Circular.

Repayment of Series B Bond principal is sixth (6th) in the Priority of Payments established in section V.4.2.2, page 114 of this Circular.

II.11.3 Amortisation modes specifying dates, place, institutions, procedure and advertising for the same.

II.11.3.1 Amortisation of Series A Bonds.

Series A Bonds shall be amortised by partial amortisation on each of the Payment Dates until their total face amount has been fully amortised, in an amount equal to the Available Funds for Amortisation applied on each Payment Date to amortising Series A, distributed pro rata between the Bonds in the actual Series A by reducing the face value of each Bond. The first Payment Date for amortising the Series A Bonds shall fall on February 13, 2003.

The final amortisation of the Series A Bonds shall occur on the Final Maturity Date (February 13, 2033), notwithstanding the partial amortisations for which provision is made in section II.11.3.3 and the fact that the Management Company may, for and on behalf of the Fund, and as provided for in section II.11.3.5, proceed to the Early Amortisation of the Bond Issue before the Final Maturity Date.

II.11.3.2 Amortisation of Series B Bonds.

Series B Bonds shall be amortised by partial amortisations on each of the Payment Dates until their total face amount has been fully amortised, in an amount equal to the Available Funds for Amortisation applied on each Payment Date to amortising Series B, distributed pro rata between the Bonds in Series B proper by reducing the face value of each Bond.

The amortisation of Series B Bonds shall begin only when the Series A Bonds have been amortised in full..

The final amortisation of the Series B Bonds shall occur on the Final Maturity Date (February 13, 2033), notwithstanding the partial amortisations for which provision is made in section II.11.3.3 and the fact that the Management Company may, for and on behalf of the Fund, and as provided for in section II.11.3.5, proceed to the Early Amortisation of the Bond Issue before the Final Maturity Date.

Payment of interest and repayment of principal on the Series B Bonds is deferred with respect to the Series A Bonds, as provided in the Fund Priority of Payments.

II.11.3.3 Partial amortisation.

Irrespective of the Final Maturity Date and without prejudice to the Early Amortisation of the Bond Issue in the event of Early Liquidation of the Fund, the Fund shall, through its Management Company, proceed to make partial amortisations of the Bonds in each Series on the Payment Dates and on the terms described hereinafter in this section.

II.11.3.3.1 Determination Dates.

These will be the dates falling on the third Business Day preceding each of the Payment Dates on which the Management Company on behalf of the Fund will make all necessary calculations to distribute or withhold the Available Funds which the Fund shall dispose of on the relevant Payment Date, in the Priority of Payments.

II.11.3.3.2 Outstanding Principal Balance of the Bonds.

The Outstanding Principal Balance of a Series shall be the sum of the outstanding principal balances pending amortisation of the Bonds in that Series, such balances to include the principal amounts that should have been repaid, as the case may be, and were not paid due to a shortage of Available Funds for Amortisation, in the Fund Priority of Payments.

Moreover, the Outstanding Principal Balance of the Bonds shall be the sum of the Outstanding Principal Balance of each of the Series.

II.11.3.3.3 Outstanding Balance of the Mortgage Certificates.

The Outstanding Balance of the Mortgage Certificates shall consist of the sum of the capital not yet due and the capital due and not paid into the Fund on each and every one of the Mortgage Certificates.

II.11.3.3.4 Available Funds for Amortisation on each Payment Date.

On each Payment Date the amount to be allocated to amortising the Bonds (“**Available Funds for Amortisation**”) shall be the lower of the following amounts:

- a) The positive difference, if any, between the Outstanding Principal Balance of the Bonds and the Outstanding Balance of the Mortgage Certificates, on the Business Day preceding each Payment Date.
- b) Depending on the liquidity existing on that Payment Date, the remaining Available Funds after deducting the amounts applied to items 1 to 4 in the Priority of Payments.

II.11.3.3.5 Distribution of the Available Funds for Amortisation among the Bonds in each Series.

The Available Funds for Amortisation of the Bonds shall be fully used for the amortisation of Series A Bonds and will only be used for the amortisation of the Series B Bonds when the Outstanding Principal Balance of Series A is fully settled.

Notwithstanding the above, in the event that on a Payment Date, in consequence of the Priority of Payments, the Fund should not have sufficient liquidity to proceed to the relevant amortisation of Bonds, the difference shall not entitle to any additional interest or late-payment interest whatsoever since it will in any event be part of the Outstanding Principal Balance of the Bonds in the relevant Series, on which interest settlement shall be calculated as provided in section II.10.3 above, since amortisation of the Bonds was not made for that amount.

The Management Company shall proceed to notify the Bondholders as provided in section III.5.3 of the amortisation amount resulting for the Bonds in each Series, the Outstanding Principal Balance of each Series, and the actual prepayment rates on the Participated Mortgage Loans and the average residual life estimated for the Bonds in each Series.

II.11.3.4 Final amortisation.

The Final Maturity Date and consequently the final amortisation of the Bonds is February 13, 2033 or the next Business Day if that date is not a Business Day, without prejudice to an earlier full amortisation of each of the Series, and in accordance with the provisions of sections II.11.3.3 and II.11.3.5.

II.11.3.5 Early Amortisation.

Without prejudice to the Fund's obligation, through its Management Company, to amortise the Bonds in each Series on the Final Maturity Date or on the partial amortisations on each Payment Date, as established in the preceding paragraphs, the Management Company shall be authorised, after notifying the CNMV, to proceed to an Early Liquidation of the Fund and hence an early amortisation ("**Early Amortisation**"), on a Payment Date, of the entire Bond Issue in the Early Liquidation Events and subject to the requirements established in section III.8.1 of this Circular.

II.12 Loan servicing table, including both interest payments and principal amortisation, for each of the Series of Mortgage-Backed Bonds to be issued by the Fund.

The issue will be serviced through BANCO COOPERATIVO as the Paying Agent. Payment of interest and principal shall be notified to the Bondholders in the events and in such advance as may be provided for each case in section III.5.3. Interest and principal shall be paid to the Bondholders by the relevant clearing members and to the latter in turn by the SCLV, the institution responsible for the accounting record, or any other replacement institution.

a) Loan servicing tables.

The main characteristic of the Bonds lies in that their periodic amortisation and hence their average life and duration depend mainly on the pace at which the Obligors decide to repay the Participated Mortgage Loans.

In this sense, the prepayments resolved by the Obligors, subject to continual changes, and estimated in this Circular by using several performance assumptions of the future effective constant annual early amortisation or prepayment rate (hereinafter "**CPR**"), shall directly affect the pace at which the Participated Mortgage Loans are repaid, and therefore the average life and duration of the Bonds.

There are also other variables, also subject to continual changes, affecting the average life and duration of the Bonds. These variables and their assumed values in all the tables contained in this section are:

- interest rate of the Mortgage Certificate portfolio: 4.82% (average weighted % interest rate as of October 23, 2002 of the portfolio of selected loans);
- Mortgage Certificate portfolio delinquency: 0% per annum;
- Mortgage Certificate portfolio defaults rated as bad debts: 0%;
- that the prepayment rate remains constant throughout the life of the Bonds;
- and that the Bond Closing Date is November 19, 2002.

Finally, the actual adjusted life of the Bonds will also depend on their floating interest rate, which is assumed to be constant at 3.473% for Series A and at 3.783% for Series B in all the tables contained in this section.

Assuming that the Management Company shall exercise the Early Liquidation option of the Fund for which provision is made in paragraph one of section III.8.1 of this Circular, when the Outstanding Balance of the Mortgage Certificates is less than 10% of their initial amount, based upon the historic performance of the mortgage loans granted to individuals securitised by the Originators in recent years, the average life and duration of the Bonds for different CPRs shall be as follows:

% CPR:	4%	6%	8%	10%	12%
Series A Bonds					
Average life (years)	7.74	6.72	5.91	5.24	4.69
IRR	3.568%	3.568%	3.568%	3.568%	3.568%
Duration	6.23	5.52	4.93	4.44	4.02
Final maturity	13-05-2020	13-08-2018	13-02-2017	13-11-2015	13-08-2014
(in years)	17.49	15.74	14.25	12.99	11.74
Series B Bonds					
Average life (years)	17.49	15.74	14.25	12.99	11.74
IRR	3.891%	3.891%	3.891%	3.891%	3.891%
Duration	12.34	11.44	10.63	9.91	9.15
Final maturity	13-05-2020	13-08-2018	13-02-2017	13-11-2015	13-08-2014
(in years)	17.49	15.74	14.25	12.99	11.74

These figures have been calculated using the following formula:

Average life of the Bonds: for each of the Series, average of the time periods between the Closing Date and each of the Payment Dates, using for weighting purposes the weights the principal to be repaid on each Payment Date has on the total face amount of the Series, in accordance with the following expression:

$$V = \frac{\sum (P \times d)}{T} \times \frac{1}{365}$$

Where:

- V = Average life in each Bond Series issued expressed in years.
- P = Principal to be repaid in each Bond Series on each Payment Date, in accordance with the amount to be amortised in each Bond Series, as described in section II.11.3.2 of this Circular.
- d = Number of days elapsed between the Closing Date and the Payment Date at issue.
- T = Total face amount in EUR in each Bond Series.

Internal rate of return (IRR): for each of the Series, interest rate equalling the restatement at present value of the total amortisation and interest amounts received on each Payment Date with the face value of the Bond.

$$N = \sum_{i=1}^n A_i (1+r)^{-(nd/365)}$$

Where:

- N = face value of the Bond in each Series.
- r = IRR expressed as an annual rate, per unit.
- A_i = (A₁ A_n). Total amortisation and interest amounts to be received by the investors.
- nd = Number of days comprised between the Closing Date of the issue and each of the n Payment Dates, not inclusive, during the life of the Bond.

Duration of the Bonds (adjusted Macaulay formula): for each of the Series, measure of Bond price sensitivity with respect to changes in yield.

$$D = \frac{\sum_{j=1}^n (a_j \times VA_j)}{PE} \times \frac{1}{(1+i)}$$

Where:

D = Duration in each Bond Series expressed in years.

a_j = Time elapsed (in years) between the Closing Date and each of the n Payment Dates at issue.

VA_j = Present value of each of the amounts comprising principal and gross interest, payable on each of the n Payment Dates discounted at the actual interest rate (IRR) in every Series.

PE = Issue price in every Bond Series.

i = Actual interest rate (IRR) in every Series, per unit.

Finally, the Management Company expressly states that the loan servicing tables described hereinafter are merely theoretical and given for illustrative purposes, and represent no payment obligation whatsoever, on the basis that:

- The CPRs are assumed to be constant respectively at 8% and 10% throughout the life of the loan and, as noted, actual prepayment rates change continually.
- The Outstanding Principal Payment Balance on each Payment Date and hence the interest payable on each such dates shall depend on the actual prepayment rate of the Mortgage Certificate portfolio.
- The Bond interest rates are assumed to be constant for each Series, whereas the interest rate of all the Series is known to be variable.
- The assumed values referred to at the beginning of this section are at all events taken for granted.
- It is assumed that the Management Company will exercise the early amortisation option provided in the first paragraph of section III.8.1 of this Circular.

II.13 Actual interest forecast for the holder, bearing in mind the characteristics of the issue, specifying the calculation method used and the expenses expected by items having regard to its true nature.

In the event that the nominal annual interest rates applicable to both Series A and B, variable quarterly, should remain constant throughout the life of the loan, at the rates of the table contained in section II.12.a) of the Circular, these rates would result in Internal Rates of Return (“**IRR**”) for the holder in each of the Series as shown in the following table, given the effect of quarterly interest payment, calculated without considering the tax effect, and assuming at all events the values and assumptions contained in said section for constant prepayment rates (CPR) of 8% and 10%.

	Series A Bonds	Series B Bonds
Nominal interest rate	3.473%	3.783%
Actual interest forecast (IRR)	3.568%	3.891%

II.14 Actual interest forecast for the Fund at the time of issue of the securities, considering all the structuring and placement expenses incurred by the Fund, specifying the calculation method.

The actual interest has been calculated using the internal rate of return (IRR) formula described in section II.12.a) above, making the following assumptions:

- a) that the floating nominal interest rate of the Bonds should remain constant throughout the life of the loan at the rates of the table contained in section II.12.a);
- b) that the assumptions mentioned in section II.12.a) are made; and
- c) that the expected Fund constitution and Bond issue expenses are deducted from the face value of the Bond Issue.

The actual interest forecast for the Fund would be 3.670% or 3.679% for CPRs respectively of 8% and 10%, in the assumptions contained in the preceding paragraph.

The following are the expected expenses:

II.19.4 Pro rata placement, method and date, manner of publicising the results and, as the case may be, returning to the requestors the amounts settled in excess of the securities allocated, along with such interest payments as may be appropriate.

Not applicable.

II.20 Term and method for providing the subscribers with certificates or documents establishing the subscription for the securities.

The Bonds, represented by means of book entries, shall become such bonds upon being entered in the relevant accounting record, as provided in Royal Decree 116/1992, with the usual timing and procedures of the institution in charge of so doing, to wit the SCLV or any other replacement institution.

The relevant Underwriter and Placement Agent shall provide Bond subscribers, within not more than fifteen (15) days after the Closing Date, with a document certifying their subscription for the Bonds allocated, and the actual amount paid up on that subscription, though title to the Bonds subscribed for shall be established by means of an appropriate entry in the accounting record.

II.21 National laws governing the securities and jurisdiction in the event of litigation.

The constitution of the Fund and Bond issue are subject to Spanish Law, as prescribed by Investment Trusts and Companies System and Mortgage Securitisation Funds Act 19/1992, July 7, Securities Market Act 24/1988, July 28, as amended by Act 37/1998, November 16, and as prescribed by Royal Decree 291/1992, March 27, on Issues of and Public Offerings for the Sale of Securities, as amended by Royal Decree 2590/1998, December 7, on the amendment of the legal system of securities markets, and the Order dated July 12, 1993 on Offering Circulars and Other Implementations of Royal Decree 291/1992, March 27, and National Securities Market Commission Circular 2/1994, March 16.

The Deed of Constitution, the Bond issue and the agreements for financial risk hedging and service provision transactions to be entered into by the Management Company on behalf of the Fund shall be governed by and construed in accordance with Spanish Laws.

All matters, disagreements, actions and claims deriving from the Management Company's constitution, administration and legal representation of RURAL HIPOTECARIO IV FONDO DE TITULIZACIÓN HIPOTECARIA, and the Bond Issue by the same, shall be heard and decided by the competent Spanish Courts and Tribunals.

The Bondholders and the remaining creditors of the Fund shall have no action whatsoever against Obligors who may have defaulted on their payment obligations under the Participated Mortgage Loans; any such action shall lie with the Management Company, representing the Fund owning the Mortgage Certificates under which the Participated Mortgage Loans are assigned.

The Bondholders and the remaining creditors of the Fund shall have no action whatsoever against the Fund or against the Management Company in the event of default of amounts due by the Fund resulting from the default of the Participated Mortgage Loans by the relevant Obligors or breach by the other parties to the transactions arranged for and on behalf of the Fund.

The Bondholders and the remaining creditors of the Fund shall have no actions against the Fund Management Company other than as derived from a breach of its duties or a failure to observe the provisions of the Deed of Constitution and the Offering Circular. That action shall be heard in the relevant ordinary declaratory proceedings depending on the amount claimed. Moreover, the Management Company shall be liable for such penalties as may be levied upon it in pursuance of Act 19/1992.

II.22 Personal taxation of income from the securities offered, distinguishing between resident and non-resident subscribers.

A brief account is given hereinafter of the tax system applicable to the investments derived from this offering, in which connection only State laws in force for the time being and general aspects that might affect investors are taken into account; investors must bear in mind both their possible special tax circumstances and the rules applied territorially and contained in the laws in force at the time when the relevant income is obtained and returned.

Because this offering will be represented by book entries and an application will be made for the securities to be listed and traded on an official Spanish secondary securities market, which circumstances are relevant to determining taxation, the assumption made is that these requirements shall be met. It has moreover been considered that, upon being issued, the Bonds will be considered financial assets with an explicit yield, when this qualification is relevant for tax purposes.

The withholdings, contributions and taxes established now or in the future on the Bond principal, interest or income shall be payable by the bondholders, and their amount shall be deducted, as the case may be, by the Management Company in the manner statutorily prescribed.

During the life of the Bonds, their tax system shall be as derived from the laws in force from time to time.

II.22.1 Natural or legal persons resident in Spain.

Personal Income Tax.

Income obtained by Bondholders who are Personal Income Tax (IRPF) payers, for acquiring Series A Bonds or Series B Bonds on a secondary market, both as interest and in connection with the transfer, repayment or amortisation of the Bonds, shall be considered income on investments obtained from the assignment of own capital to third parties, as defined in article 23.2 of the Personal Income Tax and Other Tax Rules Act 40/1998, December 9.

In the event of revenues derived from receipt of bond coupons, the aggregate income shall be determined by the amount of interest received, including the IRPF withholding made, as the case may be.

In the event of transfer, redemption or amortisation of the Bonds, the income on investments shall be deemed to be the difference between the transfer, redemption or amortisation value (less ancillary disposal expenses) and the acquisition or subscription value (plus ancillary acquisition expenses).

Negative income from the Bonds, where the taxpayer has acquired others within two months before or after those transfers, shall be integrated as the Bonds remaining among the taxpayer's assets are transferred.

The net income on investments shall be found deducting the Bond servicing and custody expenses from the aggregate income. Income from the transfer, redemption or amortisation of Bonds being part of the investor's assets for a time-period in excess of two years shall be reduced by 30%.

Interest income received shall be subject to an 18% withholding tax on account of the beneficiary's IRPF, as prescribed by Royal Decree 214/1999, February 5, approving the Personal Income Tax Regulations (RIRPF).

There is no withholding tax obligation on income derived from the transfer or repayment of the Bonds, because these are represented by means of book entries and are traded on an official Spanish securities market, other than for the part of the price equivalent to the matured coupon in transfers made within thirty days immediately preceding coupon maturity where (i) the transferee is a person or undertaking not resident in Spanish territory or a Corporation Tax obligor, and (ii) this income is exempt from the obligation to withhold from the transferee.

Corporation Tax.

Both interest income and income derived from the transfer, repayment or amortisation of the Bonds obtained by undertakings considered to be Corporation Tax obligors, shall be added to the tax base as prescribed under Title IV of Corporation Tax Act 43/1995, December 27.

The aforesaid income shall be excluded from withholding tax as provided by article 57.q) of Royal Decree 537/1997, April 14, approving the Corporation Tax Regulations, amended by the wording provided in Royal Decree 2717/1998, December 18. Nevertheless, in accordance with the Ministerial Order of December 22, 1999, the procedure for the exclusion of withholding tax or prepayment to be effective shall be subject to the following requirements:

1. The Management Company, for and on behalf of the Fund as the issuer, shall pay the custodians, through the Paying Agent, the liquid amount resulting from applying the general withholding rate in force on that date to all the interest.
2. By the 10th of the month after the month of maturity of each coupon, the custodians shall provide the Management Company or the Paying Agent with an itemised list of the holders who must pay Tax, along with their identification particulars, the number of securities they held at the date of maturity of each coupon, the respective gross income and the amount withheld.
3. Bondholders shall certify that circumstance with the custodians by the 10th of the month after coupon maturity in order that the custodians may draw up the list specified in the preceding paragraph.
4. Forthwith upon receiving that list, the Management Company shall promptly pay all the custodians through the Paying Agent the amount withheld from those obligors or taxpayers.
5. The custodians shall forthwith pay the amount withheld to the obligor or taxpaying holders.

II.22.2 Natural or legal persons not resident in Spain.

Income obtained by Bondholders who are Non-Resident Income Tax payers, both on interest and in connection with the transfer, repayment or amortisation of the Bonds, shall be considered to be income obtained in Spain, with or without a permanent establishment, on the terms of article 12 of Act 41/1998, December 9, on Non-Resident Income and Tax Rules.

Income obtained through a permanent establishment.

Bond income obtained by a permanent establishment in Spain shall pay tax in accordance with the rules of Chapter III of the aforesaid Act 41/1998, without prejudice to the double-taxation Agreements signed by Spain, which may determine that the relevant income need pay no tax or, as the case may be, that reduced rates apply. The aforesaid income shall be subject to a Non-Resident Income Tax withholding in the same events and on the same terms mentioned for Corporation Tax payers resident in Spain.

Income obtained other than through a permanent establishment.

Bond income obtained by persons or undertakings not resident in Spain acting without a permanent establishment shall pay tax in accordance with the rules of Chapter IV of the aforesaid Act 41/1998, the following elements of the system of that Act being noteworthy, without prejudice to the double-taxation Agreements signed by Spain, which may determine that the relevant income need pay no tax or, as the case may be, that reduced rates apply:

- The tax base shall be quantified as the full amount of the income obtained, calculated with reference to the rules of Act 40/1998, whereas the reductions of that Act will not apply.
- In the event of transfer, repayment or amortisation, expenses attaching to acquisition and disposition shall be taken into account for calculating the income, provided that they are properly supported. Taxation shall be separately effected for each total or partial taxable accrual of income, which may under no circumstances be set off against one another.
- The Tax will be calculated applying an 18 percent rate to the tax base comprising Bond interest and income.
- The above-mentioned income shall be subject to a Non-Resident Income Tax withholding, other than where evidence is produced of Tax payment or that an exemption is appropriate.

The amount of the withholding will be equivalent to the Tax payable based upon the above policies.

Bond income obtained both as interest and in connection with the transfer, repayment or amortisation of the Bonds, by persons or undertakings not resident in Spain acting in this connection without a permanent establishment shall be exempt when the beneficiary is a resident of another European Union Member State.

This exemption shall by no means apply where the income is obtained through countries or territories statutorily qualified as tax havens.

Income derived from the transfer of such securities in official Spanish secondary securities markets obtained by non-resident natural persons or undertakings other than through a permanent establishment in Spanish territory, resident in a State having signed a double-taxation agreement with Spain with an information-exchange clause, will also be exempt.

In accordance with the Ministerial Order of April 13, 2000, in connection with the application of the exclusion from withholding tax or withholding at a reduced rate by applying the taxation limits established in double-taxation Agreements, the custodians shall provide the Paying Agent or the Management Company, by day 10 of the month after the month of coupon maturity, with a detailed list of the Bondholders not residing in Spanish territory having no permanent establishment, with details of the Series and maturity, identification of

the holder, number of securities held on the coupon maturity date, relevant gross income and withholding to be applied. Non-resident Bondholders shall have in turn certified to the custodians their tax residence by submitting a residence certificate issued by the tax authorities of the country of residence, bearing in mind that said certificate is valid for one (1) year after being issued.

Upon the failure to certify tax residence for these purposes, the income obtained on the Bonds both as interest and upon their transfer, repayment or amortisation by non-resident holders shall be taxable under the general system aforesaid, though they may apply for the excess withholding or taxation to be returned availing of the procedure established in the laws in force for the time being.

II.22.3 Indirect taxation on the transfer of the Bonds.

The conveyance of transferable securities is exempt from paying Capital Transfer and Documents Under Seal Tax and Value Added Tax.

II.22.4 Wealth Tax.

Natural persons whose personal obligation it is to pay this Tax and who are Bondholders at December 31 of each year, shall include the Bonds in that Tax base at their average trading value in the fourth quarter of each year.

Non-resident natural persons whose real obligation it is to pay this Tax will also have to pay Wealth Tax, other than as provided in the double-taxation Agreements. Nevertheless, residents in other European Union countries shall be exempt in connection with Bonds whose income is exempt in regard to Non-Resident Income Tax, on the terms set forth above.

II.22.5 Inheritance and Gift Tax.

The transfer of the Bonds to natural persons by inheritance or donation shall be subject to the general rules of Inheritance and Gift Tax. In the event that the beneficiary should be a body corporate, the income obtained would be taxed in accordance with the Corporation Tax rules.

II.23 Purpose of the transaction.

The net amount of the Bond Issue will be fully allocated to paying the price for the acquisition of the Mortgage Certificates issued by CAJA RURAL DE ARAGÓN, S.C.C., CAJA RURAL DE NAVARRA, S.C.C., CAJA RURAL DE ZAMORA, S.C.C., CAJA RURAL DEL MEDITERRÁNEO, RURALCAJA, S.C.C., and CAJA RURAL INTERMEDITERRÁNEA, S.C.C. pooled in the Fund assets.

II.24 Institutions that have agreed, as the case may be, to be involved in secondary trading, providing liquidity by offering consideration, specifying the extent and manner of their involvement.

There are no commitments for any institution to be involved in the secondary market of the Bonds, providing liquidity by offering consideration.

II.25 Natural or legal persons with a relevant involvement in structuring or providing advice for the constitution of the Fund or in connection with any item of the significant information contained in the circular, including, as the case may be, underwriting the placement:

II.25.1 Specification of natural and legal persons.

CHAPTER III

GENERAL INFORMATION ON THE MORTGAGE SECURITISATION FUND

III.1 Legal background and purpose of the Fund.

The constitution of the Fund and the Bond issue by the same is subject to Spanish Law and specifically to the provisions of Investment Trusts and Companies System and Mortgage Securitisation Funds Act 19/1992, July 7.

In accordance with article 5.1 of Act 19/1992, the Fund is a separate closed-end estate, devoid of legal personality. Its assets comprise the Mortgage Certificates pooled therein upon being constituted and the Cash Reserve credited to the Treasury Account, and its liabilities comprise the Bonds issued, the Start-Up Loan and the Subordinated Loan, and the net worth of the Fund is nil.

The Mortgage Certificates issued backed by the Participated Mortgage Loans comprising the assets of the Fund are governed by Mortgage Market Regulation Act 2/1981, March 25, and Royal Decree 685/1982, March 17, implementing certain aspects of Act 2/1981.

The Fund is set up to serve as a vehicle for subscribing for the Mortgage Certificates issued by CAJA RURAL DE ARAGÓN, S.C.C., CAJA RURAL DE NAVARRA, S.C.C., CAJA RURAL DE ZAMORA, S.C.C., CAJA RURAL DEL MEDITERRÁNEO, RURALCAJA, S.C.C., and CAJA RURAL INTERMEDITERRÁNEA, S.C.C., pooling and issuing the Bonds backed by those Certificates.

The Fund shall be in existence until February 13, 2033, the Final Maturity Date of the Bond Issue.

In accordance with article five, paragraph three, of Act 19/1992, the Deed of Constitution will not be entered in the Companies Register.

III.2 Full name of the Fund and, as the case may be, short or trade name to identify the same or its securities on secondary markets.

The name of the Fund is “RURAL HIPOTECARIO IV FONDO DE TITULIZACIÓN HIPOTECARIA” and the following short names may also be used without distinction to identify the Fund:

- RURAL HIPOTECARIO IV FTH
- RURAL HIPOTECARIO IV F.T.H.

III.3 Management and representation of the Fund and of the holders of the securities issued against the same.

III.3.1 Description of the duties and responsibilities taken on by the Management Company in managing and legally representing the Fund and the holders of securities issued against the same.

In accordance with article five, paragraph two, of Act 19/1992, the management and legal representation of the Fund lies with the Management Company, on the terms set in Act 19/1992, in Royal Decree 926/1998 and other applicable laws, without prejudice to the provisions of the Deed of Constitution. The Economy and

Finance Ministry authorised the incorporation of the Management Company as a Mortgage Securitisation Fund Management Company on December 17, 1992 and, subsequently, on October 4, 1999 authorised its re-registration as a Securitisation Fund Management Company. It is moreover entered in the special register purposely kept by the CNMV under number 2. The information on the Management Company is contained in Chapter VI of this Circular.

In accordance with the provisions of paragraph 1 of article six of Act 19/1992 and article 12.1 of Royal Decree 926/1998, it is the Management Company's duty, as the manager of third-party business, to represent and defend Bondholders' interests. The Management Company shall discharge for the Fund the functions attached to it under Royal Decree 926/1998.

Consequently, the Management Company shall safeguard at all times the interests of the Bondholders and all other ordinary creditors of the Fund, making its actions conditional on defending the same and observing the provisions statutorily established for that purpose. Bondholders shall have no right of action against the Fund Management Company, other than for a breach of its duties or a failure to observe the provisions of the Deed of Constitution and in the Offering Circular.

The Management Company shall notify the Bondholders of all and any circumstances that may be relevant to them, by publishing appropriate notices on the terms established in sections III.5.2 and III.5.3 of this Chapter.

III.3.1.1 Administration and representation of the Fund.

The Management Company's policies and actions in fulfilment of its duty to manage and legally represent the Fund are the following, for illustrative purposes only and without prejudice to any other actions provided in the Deed of Constitution and/or in this Offering Circular:

The Management Company's action policies.

1. Due diligence.

The Management Company shall perform its activity due diligently, as prescribed by Royal Decree 926/1998, representing the Fund and defending the interests of the Bondholders and of the Fund's other ordinary creditors as if they were its own interests, stepping up the standards of diligence, reporting and defence of their interests and avoiding situations which might result in conflicts of interest, giving the interests of the Bondholders and all other ordinary creditors of the Fund priority over third-party and its own interests.

2. Availability of means.

The Management Company has the necessary means, including suitable information systems, to discharge the Fund management functions prescribed by Royal Decree 926/1998.

3. Code of Conduct.

The Management Company shall comply with the code of conduct applicable to it. The Management Company has established an Internal Code of Conduct in pursuance of the provisions of Chapter II of Royal Decree 629/1993, May 3, regarding the rules of conduct in securities markets and mandatory registrations, which has been communicated to the CNMV.

Obligations and actions of the Management Company for administering the Fund.

1. Fund Management.

- (i) Managing the Fund in order that its net asset value is nil at all times.
- (ii) Keeping the Fund's accounts duly separate from the Management Company's own, rendering accounts and satisfying tax and any other statutory obligations of the Fund.
- (iii) Doing no things that might impair the ratings assigned by the Rating Agency to each Series in the Bond Issue, and endeavouring to take such steps as may reasonably be in its hand for said ratings not to be adversely affected at any time.
- (iv) Entering on behalf of the Fund into such agreements as are provided in the Deed of Constitution and in this Offering Circular.

III.3.4 The Management Company's remuneration for discharging its functions.

In consideration of the functions to be discharged by the Management Company, the Fund will pay it a management fee consisting of:

- (i) An initial fee amounting to EUR one hundred and two thousand (102,000) which shall accrue upon the constitution of the Fund and be payable on the Closing Date.
- (ii) A periodic fee: equal to 0.0275% per annum, accruing on the exact number of days elapsed in each Interest Accrual Period, from the date of constitution of the Fund until it terminates, and payable quarterly in arrears on each of the Payment Dates, calculated on the Outstanding Principal Balance of the Bond Issue on the Payment Date preceding the ongoing Payment Date. The fee accrued from the date of constitution of the Fund until the first Payment Date shall be adjusted in proportion to the days elapsed between both dates, calculated on the face amount of the Bonds issued.

The fee payable on a given Payment Date shall be calculated in accordance with the following formula:

$$C = B \times \frac{0,0275}{100} \times \frac{d}{360}$$

where :

C = Fee payable on a given Payment Date.

B = Outstanding Principal Balance of the Bond Issue, on the preceding Payment Date.

d = Number of days elapsed during the relevant accrual period.

In any event, the annual amount of this periodic fee may not be less than EUR twenty-six thousand (26,000) or the proportional equivalent to the exact number of days elapsed in each of the Interest Accrual Periods. In the event that, during the term of the Fund, the National General Retail Price Index published by the Spanish National Institute of Statistics for each calendar year should experience a positive variation, the minimum annual amount would be reviewed cumulatively in the same proportion, from the year 2004, inclusive, and effective as of January 1 of each year.

If on a Payment Date the Fund should not have sufficient liquidity to settle the above-mentioned fee, the amount due shall accrue an interest equal to the Reference Rate of the Bonds, payable on the next Payment Date, in the Priority of Payments.

- ii) The amount of the sum of the Outstanding Balance of the Mortgage Certificates issued by that Originator with an arrears in excess of twelve (12) months in payment of amounts due on the Determination Date preceding the ongoing Payment Date is in excess of the amount resulting from multiplying by 0.025% the result of the product of the total initial capital or principal of the Mortgage Certificates by the number of Payment Dates elapsed since the Closing Date.
- iii) The amount of the Outstanding Balance of the Mortgage Certificates is less than the Outstanding Principal of the Bonds.
- iv) The weighted average interest rate of the Mortgage Certificates issued by that Originator on the Determination Date preceding the ongoing Payment Date is less than the weighted average nominal interest rate of the Series A and B Bonds in the preceding Interest Accrual Period anterior plus a 0.65% spread.

Both the Required Cash Reserve and the calculation rule may, however, if this is legally possible because the regulatory requirements established for amending the Deed of Constitution are satisfied and having first notified the CNMV, be reduced on a Payment Date and throughout the life of the Fund following an express discretionary authorisation of the Rating Agency.

- (ii) Where any event or circumstance whatsoever unrelated to the actual operation of the Fund occurs which results in the financial balance of the Fund required by article 5.6 of Act 19/1992 being substantially changed or permanently invalidated. This event includes such circumstances as the occurrence of a change in or supplementary enactments of laws, the establishment of withholding obligations, the material or repeated breach by any of the Services of the obligations derived from the Servicing Agreement, or other events that might permanently affect the financial balance of the Fund.
- (iii) In the event that the Management Company should be declared insolvent or bankrupt, or the statutory term to do so, or failing that term four months, should elapse without a new management company being designated in accordance with the provisions of section III.3.2 of this Circular.

The following requirements shall be necessary to proceed to that early liquidation of the Fund:

- (i) That all the payment obligations derived from the Bonds issued by the Fund may be met and settled in the Priority of Payments or otherwise that, before proceeding to an Early Liquidation of the Fund, the Management Company calls the Bondholders purely for informative purposes.

Payment obligations derived from the Bonds on the date of early liquidation of the Fund shall at all events be deemed to be the Outstanding Principal Balance on that date plus interest accrued and not paid, deducting the withholding tax, if any, which amounts shall be deemed to be due and payable on that date to all statutory intents and purposes.

- (ii) That the Bondholders are notified, as prescribed in section III.5.3 of this Circular and thirty (30) Business Days in advance, of the resolution by the Management Company to proceed to an early liquidation of the Fund.

That notice, previously made available to the CNMV and the Rating Agency, shall contain a description (i) of the event or events for which an Early Liquidation of the Fund is effected, (ii) of the liquidation procedure, as described in the following section, and (iii) of the manner in which the payment obligations derived from the Bonds are to be met and settled in the Priority of Payments.

In order for the Fund, through its Management Company, to proceed to an Early Liquidation of the Fund and an Early Amortisation of the Bond Issue in the events and subject to the requirements defined in this section, the Management Company, for and on behalf of the Fund, shall proceed to:

- (i) Sell the Mortgage Certificates for a price not below the sum of the value of the principal plus the interest accrued and not paid on the Mortgage Certificates pending amortisation.

- (ii) Terminate such agreements as are not necessary for the Fund liquidation procedure.
- (iii) It will be entitled to arrange for a credit facility which shall be fully and forthwith allocated to the Early Amortisation of the Bond Issue. Repayment of that credit facility shall be guaranteed solely with the interest and principal flows derived from the Mortgage Certificates pending amortisation and the proceeds from the sale of the other properties remaining on the assets of the Fund.
- (iv) Finally, both due to an insufficiency of the preceding actions and the existence of Mortgage Certificates or other remaining assets, it shall proceed to sell the other properties remaining on the assets of the Fund. The Management Company shall be authorised to accept such offers as shall in its opinion cover the market value of the goods at issue. In order for the market value to be fixed, the Management Company may commission such valuation reports as it shall see fit.

In events (i), (iii) and (iv) above, each of the Originators issuing the Mortgage Certificates shall have a pre-emptive right and may therefore have priority over third parties to acquire the Mortgage Certificates issued by each of them or any other assets originating therein and remaining on the assets of the Fund, or to grant to the Fund the credit facility designed for the Early Amortisation of the Bond Issue. The Management Company shall therefore send each Originator a list of the assets and third-party bids received, and they may each use that right for all the assets offered by the Management Company being the Mortgage Certificates they may each have issued or the credit facility within ten days of receiving said notice, and provided that their bid is at least equal to the best of the third-party bids.

Upon provisioning the reserve referred to in section III.8.2 below, the Management Company shall immediately apply all the proceeds from the sale of the Fund's assets to paying the various items, in such manner, amount and order as shall be requisite in the Priority of Payments, other than the obligation to provision the Cash Reserve, and other than the amounts, if any, drawn on the credit facility arranged, which shall be fully allocated to the early amortisation of the Bond Issue.

III.8.2 Termination of the Fund.

The Fund shall terminate in any of the following events:

- (i) Upon the Mortgage Certificates pooled therein being fully amortised.
- (ii) By the Early Liquidation procedure established in section III.8.1 above.
- (iii) At all events, on the Final Maturity Date established for final Bond amortisation.

In the event that there should be any remainder upon the Fund being liquidated and after making all payments to the Fund's various creditors by distributing the Available Funds in the set Priority of Payments, that remainder shall be for the Originators issuing the Mortgage Certificates.

In any event, the Management Company, acting for and on behalf of the Fund, shall not proceed to terminate the Fund and strike it off the relevant administrative registers until the Fund's remaining assets have been liquidated and the Fund's Available Funds have been distributed, in the Priority of Payments, with the exception of the appropriate reserve to meet final tax, administrative or advertising expenses related to termination and liquidation.

Upon a period of six (6) months elapsing from the liquidation of the Fund's remaining assets and the distribution of the Available Funds, the Management Company shall execute a Statutory Declaration before a

Notary Public declaring (i) that the Fund has terminated, and the events prompting its termination, (ii) how the Bondholders and the CNMV were given notice, and (iii) how the Fund's available amounts were distributed, in the Fund Priority of Payments; notice of this shall be given in a nation-wide newspaper and all other appropriate administrative procedures will be observed. The Management Company will submit that statutory declaration to the CNMV.

The Fund shall also terminate upon the constitution of the Fund terminating in the event that the Rating Agency should not confirm the provisional ratings assigned as final by the start of the Subscription Period. In that event, the Fund constitution, Mortgage Certificate issue and subscription and Bond issue shall be terminated.

Termination of the constitution of the Fund shall be notified to the CNMV as soon as such termination is confirmed, and shall be publicised by means of the procedure specified in section III.5.3.b) and c) of this Circular. Within not more than one month after the occurrence of the event of termination, the Management Company shall execute a Statutory Declaration before a Notary Public declaring that the Fund's obligations have been settled and terminated and that the Fund has terminated. Notwithstanding the above, the Fund Management Company shall defray the Fund constitution expenses payable and specified in section II.14 with the Start-Up Loan, the agreement for which shall not be terminated but shall rather be cancelled after those amounts are settled, the repayment of principal being subordinated to fulfilment of all other obligations undertaken by the Management Company, acting for and on the Fund's behalf.

The total face value of the issue of Mortgage Certificates shall be at least equal to the aggregate amount of the Bond Issue. Each Mortgage Certificate represents 100 percent of the principal and interest respectively pending amortisation and accrual on each of the Participated Mortgage Loans to which they are related, and any other amounts, assets or rights deriving therefrom, including, as the case may be, total or partial early cancellation fees.

The Participated Mortgage Loans assigned upon the issue of the Mortgage Certificates are part of a selection of mortgage loans the characteristics of which are described in section IV.4 of this Chapter. - (22) That the outstanding balance of principal on each of the Participated Mortgage Loans on the date of issue is equivalent to the principal figure of the relevant Mortgage Certificate, and in turn the total value of the Mortgage Certificates shall be at least equivalent to the face value of the Bond Issue.

- (29) That the Mortgage Certificate and Participated Mortgage Loan portfolio information contained in the Offering Circular concerning the constitution of the Fund and the Bond issue is accurate and strictly true.

(30) That the Participated Mortgage Loans are not earmarked for any issue whatsoever of mortgage bonds or mortgage certificates, other than the issue of the Mortgage Certificates, and after their issue the Participated Mortgage Loans shall not be earmarked for any issue whatsoever of mortgage debentures, mortgage bonds or other mortgage certificates.

(31) That nobody has a priority right over Fund in and to the Participated Mortgage Loans, as holder of the Mortgage Certificates.

b) Number and amount of the Mortgage Certificates pooled in the Fund:

The Mortgage Certificates that CAJA RURAL DE ARAGÓN, S.C.C., CAJA RURAL DE NAVARRA, S.C.C., CAJA RURAL DE ZAMORA, S.C.C., CAJA RURAL DEL MEDITERRÁNEO, RURALCAJA, S.C.C., and CAJA RURAL INTERMEDITERRÁNEA, S.C.C. are to issue upon the Fund being constituted to be subscribed for will make up an as yet indeterminate number of Mortgage Certificates whose total capital shall amount to a value at least equal to the aggregate amount of this Bond Issue.

The issue price of the Mortgage Certificates will be at par. The total price payable by the Fund for subscribing for the Mortgage Certificates shall be the amount equivalent to the sum of (i) the face value of the capital or principal of each of the Mortgage Certificates, and (ii) the ordinary interest accrued and not due on each of the Participated Mortgage Loans from the last interest settlement date of each of the loans until the date of issue of the Mortgage Certificates (the “**accrued interest**”).

The Management Company shall pay the aggregate subscription price for the Mortgage Certificates on behalf of the Fund as follows:

- (i) The part of the issue price consisting of the face value of the capital of all the Mortgage Certificates shall be paid on the Bond Closing Date, same day value, upon the subscription for the Bond Issue being paid up.
- (ii) The part of the price consisting of the interest accrued on each of the Participated Mortgage Loans shall be paid on the earlier of the Collection Date falling on the first interest settlement date of each of the loans or the date on which they are paid by the Obligor, after the issue date of the Mortgage Certificates, and will not be subject to the Fund Priority of Payments.

If the Fund constitution and hence the Mortgage Certificate issue and subscription should terminate, (i) the Fund’s obligation to pay the Mortgage Certificates shall terminate, (ii) the Management Company shall be obliged to restore to the Originators any rights whatsoever accrued for the Fund upon subscribing for the Mortgage Certificates, and (iii) the Originators shall once again enter the Participated Mortgage Loans among their balance-sheet assets.

c) Description of rights in the underlying loans conferred by the certificates on the holder:

The Mortgage Certificates represent a 100 percent participation in the principal, ordinary and late-payment interest of each Participated Mortgage Loan.

In accordance with article 5.8 of Act 19/1992, the Originators issuing the Mortgage Certificates shall not bear the risk of default on the Mortgage Certificates and shall therefore have no liability whatsoever for default by the mortgagors of principal, interest or any other amount owing by the mortgagors under the

Participated Mortgage Loans. They will have no liability whatsoever to directly or indirectly guarantee that the transaction will be successfully completed, nor give any guarantees or security, nor indeed agree to replace or repurchase the Mortgage Certificates, other than if any of the Mortgage Certificates should fail to conform to the representations set down in section IV.1.d) below.

Specifically, the Mortgage Certificates confer the following rights in relation to each of the Participated Mortgage Loans:

- a) To receive all amounts accrued as repayment of Participated Mortgage Loan capital or principal.
- b) To receive all amounts accrued as ordinary interest on the Participated Mortgage Loans.
- c) To receive all amounts accrued as late-payment interest on the Participated Mortgage Loans.
- d) To receive any other amounts, assets or rights received as payment of the Participated Mortgage Loan principal, interest or expenses, either in the form of the auction sale price or amount determined by a court decision or notarial procedure in foreclosing the mortgage securities, on the sale or operation of properties awarded or, upon foreclosing, in the administration or interim possession of the properties in foreclosure proceedings.
- e) To receive all possible rights or compensations accruing under the Participated Mortgage loans for the Originator, including not only those derived from the insurance contracts attached to the Participated Mortgage Loans which are also assigned to the Fund, but also those derived from any ancillary right attached to the Loan, including total or partial cancellation fees, if any .

The above-mentioned rights will all accrue for the Fund from the date of execution of the Deed of Constitution and issue of the Mortgage Certificates, with the exception of ordinary interest, which shall accrue from the last interest settlement date on each of the Participated Mortgage Loans, on or before the date of issue of the Mortgage Certificates.

The rights of the Fund resulting from the Mortgage Certificates are linked to the payments made by the Obligors of the Participated Mortgage Loans, and are hence directly affected by the evolution, delays, prepayments or any other incident relating thereto.

Until the execution of the Deed of Constitution, the Originators issuing Mortgage Certificates shall be the beneficiaries of the property damage insurance contracts taken out by the Obligors in relation to the mortgaged properties as security for the Participated Mortgage Loans, up to the insured amount, and each of the mortgage loan documents shall, in the event of default on the relevant premium by the Obligor (holder) of the insurance, authorise the mortgagee, to wit the Originator, to pay the premium amount for the Obligor in order that the premiums are always paid. Under the Fund Deed of Constitution, the Originators shall each perfect the assignment attached to the issue of the Mortgage Certificates of the rights they have as the beneficiary of those property damage insurance contracts taken out by the Obligors or any other insurance policy providing equivalent cover. As the holder of the Mortgage Certificates, the Fund shall be entitled to all the amounts the Originators would have received in this connection.

Payments to the Fund of both interest and other returns on the Mortgage Certificates shall not be subject to withholding tax as established in Royal Decree 537/1997, April 14, approving the Corporation Tax Regulations.

The Fund shall bear all and any expenses or costs arising for each of the Originators issuing the Mortgage Certificates derived from the recovery actions in the event of a breach of obligations by the Participated Mortgage Loan Obligors, including foreclosing against the same.

d) Set rules for substituting Mortgage Certificates in the event of early amortisation of those initially pooled in the Fund.

a) In the event of early amortisation of the Mortgage Certificates due to a prepayment of the Loan capital, there will be no substitution of the Mortgage Certificates affected thereby.

b) In the event that it should be observed throughout their life that any of the Mortgage Certificates fails to meet the terms and characteristics contained in section IV.1.a) of this Circular or the specific characteristics of the Participated Mortgage Loans notified by the Originators to the Management Company, each of the Originators issuing the Mortgage Certificates agrees, subject to the Management Company's consent, to proceed forthwith to substitute the Mortgage Certificate in that situation, subject to the following rules:

1. The party becoming aware of the existence of a non-conforming Mortgage Certificate, whether an Originator or the Management Company, shall notify the other party of this circumstance in writing. The Originator shall forthwith proceed to remedy that circumstance if it may be remedied or, in order to proceed to a substitution thereof, notify the Management Company of the characteristics of the mortgage loans proposed to be assigned under new mortgage certificates similarly characterised as to residual term, interest rate, outstanding principal value, and credit quality construed as the existing ratio between the outstanding principal of the certificate and the appraisal value of the property securing the participated loan, in order for the financial balance of the Fund, and indeed its rating in accordance with the provisions of section II.3 of this Circular, to be unaffected by the substitution. Once the Management Company has checked that the substitute loan is appropriate and expressly agreed to it, the Originator shall proceed to cancel the affected Mortgage Certificate, rubber-stamp the certificate representing the same, and issue another or other mortgage certificates taking its stead. The new mortgage certificates will in any event satisfy the requirements established by Act 2/1981, Act 19/1992 and other applicable rules, and be eligible for inclusion in a Mortgage Securitisation Fund.

2. The substitution shall be recorded in a Notarial Certificate setting forth all the particulars both of the Mortgage Certificate to be replaced and the Participated Mortgage Loan attached thereto, and the new mortgage certificate or mortgage certificates issued, along with details of the Participated Mortgage Loans, and the reason for substituting and characteristics determining the homogenous nature of both Mortgage Certificates as described in the paragraph immediately preceding, a copy of which shall be filed by the Management Company with the CNMV, the organisation in charge of the accounting record for the Bonds and the AIAF Governing Body, notifying the Rating Agency.

c) Secondly to the obligation undertaken under section b) above, in the event that there should be call to substitute any Mortgage Certificate and that no new mortgage certificates should be issued on the homogeneity and suitability terms set in rule 1 of said section, the Originator shall proceed to an early amortisation of the Mortgage Certificate. That early amortisation shall take place by a repayment in cash to the Fund of the outstanding principal, the interest accrued and not paid, and any other amount owing to the Fund until that date under the relevant Mortgage Certificate and by rubber-stamping the certificate representing the same.

e) Other terms established in the issue of those certificates and in their subscription by the Fund and the system established, as the case may be, for transferring those Mortgage Certificates.

The issue price and terms for subscribing for and paying up the Mortgage Certificates and the description of the rights conferred thereby have been described above in paragraphs b) and c) of this section.

As prescribed by Mortgage Market Regulation Royal Decree 685/1982, amended by Royal Decree 1289/1991, the Mortgage Certificates may be transferred by a written statement on the very certificate and, in general, by any of the means admitted by Law. The transfer of the certificate and the new holder's address shall be notified by the transferee to the issuer.

The transferor shall not be liable for the solvency of the issuer or of the Obligor of the Participated Mortgage Loan, nor indeed of the sufficiency of the mortgage securing it.

The Originators issuing the Mortgage Certificates shall keep a special book in which they shall enter the Mortgage Certificates issued on each Participated Mortgage Loan, and the transfers of such Certificates notified to it, the Mortgage Certificates being applied the provisions of article 53 of the above-mentioned Royal Decree for registered certificates. The same book shall include the changes of address notified to it by the certificate holders.

The book shall moreover include the following particulars:

- a) Participated Mortgage Loan origination and maturity date, initial amount and settlement method.
- b) Mortgage registration particulars.

f) Representation of the Mortgage Certificates and custodians or institutions in charge of keeping their accounting record in the case of book entries:

The Mortgage Certificates shall be represented by registered unit certificates which shall contain at least the particulars prescribed in article 64 of Royal Decree 685/1982, March 17, amended by Royal Decree 1289/1991, August 2, and specifically the registration particulars of the properties securing the Participated Mortgage Loans.

The Mortgage Certificates subscribed for by the Fund and represented by means of registered certificates shall be deposited at BANCO COOPERATIVO, and the relations between the Fund and BANCO COOPERATIVO shall be governed by the Mortgage Certificate Custody Agreement established in section V.3.7 of this Circular. That deposit shall be established for the benefit of the Fund and BANCO COOPERATIVO shall therefore custody the Mortgage Certificates deposited following the Management Company's instructions.

g) Servicing and custody of the Participated Mortgage Loans referred to in section IV.2 below.

CAJA RURAL DE ARAGÓN, S.C.C., CAJA RURAL DE NAVARRA, S.C.C., CAJA RURAL DE ZAMORA, S.C.C., CAJA RURAL DEL MEDITERRÁNEO, RURALCAJA, S.C.C., and CAJA RURAL INTERMEDITERRÁNEA, S.C.C., Originators of the Participated Mortgage Loans issuing the Mortgage Certificates to be subscribed for by the Fund, in accordance with the provisions of article 61.3 of Royal Decree 685/1982, each agree to custody and service the Participated Mortgage Loans, and the Participated Mortgage Loan Servicing Agreement shall govern the relations between the Originators (hereinafter in regard to this Agreement the "Servicer(s)"), BANCO COOPERATIVO as surety for some of the Servicers' obligations, and the Fund, represented by the Management Company. In consideration of the servicing of the Participated Mortgage Loans, each of the Servicers shall be entitled to receive in arrears on each of the Payment Dates and

during the term of the Servicing Agreement, a subordinated servicing fee equal to 0.01% per annum, inclusive of VAT if there is no exemption, which shall accrue on the exact number of days elapsed and on the average daily Outstanding Balance of the Mortgage Certificates serviced during each Interest Accrual Period. If any of the Servicers should be substituted in that servicing task, because that may be done following a change of the laws in force for the time being, and is appropriate in view of circumstances of the Servicer which might prevent or make it difficult for that servicing to be properly performed, the Management Company will be entitled to change the above percentage fee in favour of the substitute institution by up to not more than 0.10% per annum.

If due to a shortage of liquidity in the Fund Priority of Payments, the Fund should, through its Management Company, fail on a Payment Date to pay the full fee due, the amounts overdue shall accumulate without any penalty whatsoever on the fee payable on the following Payment Dates, whereupon they shall be paid.

Furthermore, on each Payment Date, the Servicer shall be entitled to a reimbursement of all expenses of an exceptional nature incurred in relation to the servicing of the Participated Mortgage Loans, such as expenses or court costs arising in connection with foreclosure, or administering or managing the sale of properties and assets awarded, and after first justifying the same. Those expenses will be paid whenever the Fund has sufficient liquidity and in the Fund Priority of Payments.

The Servicing Agreement shall be fully terminated in the event that the Rating Agency should fail by the start of the Subscription Period to confirm the ratings provisionally assigned to each of the Bond Series as the final ratings.

IV.2 Succinct and short description of the ordinary Participated Mortgage Loan servicing and custody system and procedures, focusing particularly on the set procedures relating to late payment and delinquency on principal or interest, prepayments, foreclosure and amendment or renegotiation, as the case may be, of the loans.

IV.2.1 Servicing of the Participated Mortgage Loans.

The Servicers shall continue servicing the Participated Mortgage Loans, devoting the same time and effort to them and the same degree of skill, care and diligence in servicing the same as they would devote and use to service mortgage loans with respect to which no mortgage certificates shall have been issued, and will in any event exercise a suitable degree of skill, care and diligence in providing the services for which provision is made in said Participated Mortgage Loan Servicing Agreement (the “**Servicing Agreement**”).

In any event, the Servicers waive the privileges and authorities conferred on them by law as the managers of collections for the Fund, as servicers of the Participated Mortgage Loans, and in particular those for which provision is made in articles 1730 and 1780 of the Civil Code and 276 of the Commercial Code.

The following is the succinct and short description of the ordinary system and procedures (hereinafter the “**services**”) for service and custody of the Participated Mortgage Loans governed by said Servicing Agreement:

1. Term.

The services shall be provided by the Servicer until all the obligations undertaken by the Servicer as Issuer of the Mortgage Certificates terminate in relation to all the Participated Mortgage Loans, once they

have been amortised, or when the liquidation of the Fund concludes after it terminates, without prejudice to a potential early termination of the Servicing Agreement, if that is legally possible in accordance with its terms.

2. Custody of deeds, documents and files.

Each Servicer shall keep all deeds, documents and data files relating to the Participated Mortgage Loans and property damage insurance policies of the mortgaged properties under safe custody and shall not give up their possession, custody or control other than with the Management Company's prior written consent for it to do so, unless a document should be required to institute proceedings to foreclose a Participated Mortgage Loan, or any competent authority should so require and after first informing the Management Company.

The Servicers shall allow the Management Company or the auditors of the Fund duly authorised thereby reasonable access at all times to said deeds, documents and records. Furthermore, whenever it is required to do so by the Management Company, it shall provide within two (2) Business Days of that request and clear of expenses, a copy or photocopy of any of such deeds and documents.

3. Collection management.

Each Servicer shall continue managing collection of all amounts payable by the Obligors under the Participated Mortgage Loans, and any other item including under the insurance contracts of the mortgaged properties securing the Participated Mortgage Loans. Each Servicer shall act due diligently for payments to be made by the borrowers to be collected in accordance with the contractual terms and conditions of the Participated Mortgage Loans.

Provided that those payments are received by each Servicer, the latter shall proceed to pay them fully to the Fund, on days 6, 16 and 26 of each month, or the next business day if they are not a business day (the "**Collection Dates**"), in such amounts as may have been received in the day intervals respectively on day 22 of the preceding month and on day 1 of the ongoing month, and days 2 to 11 and 12 to 21 of the ongoing month, on the set terms and conditions. Notwithstanding the above, the Management Company may change the time periods, Collection Dates and manner of payment at any time during the term of the Servicing Agreement if that is necessary to better defend Bondholders' interests.

The Servicers may in no event pay any amount whatsoever to the Fund not previously received from the Obligors as payment for the Participated Mortgage Loans.

4. Fixing the interest rate.

In connection with Participated Mortgage Loans having a floating interest rate, the Servicers will continue fixing those interest rates in accordance with the provisions of the relevant Participated Mortgage Loans, submitting such relevant communications and notices as may be established in the respective agreements.

5. Extended mortgage.

If any Servicer should become aware at any time that for any reason the value of a mortgaged property securing a Participated Mortgage Loan has fallen in excess of the percentages permitted by law, it shall, in accordance with the provisions of articles 26 and 29 del Royal Decree 685/1982, request the Obligor at issue to:

- i) extend the mortgage to other assets sufficient to cover the required ratio between the value of the asset and the credit secured thereby, or
- ii) repay all or such portion of the loan as may be in excess of the amount resulting from applying to the current appraisal the percentage used to initially determine its amount.

If within two months of being requested to extend the Obligor should fail to do so or repay the portion of the Participated Mortgage Loan referred to in the preceding paragraph, the Obligor shall be deemed to have chosen to repay the full Loan, which the Servicer shall forthwith require the Obligor to do.

6. Mortgaged property damage insurance.

No Servicer shall take or fail to take any action resulting in the cancellation of any property damage insurance policy covering the properties or reducing the amount payable in any claim thereunder. The Servicers shall act due diligently and in any event use the rights conferred under the insurance policies or the Participated Mortgage Loans in order to keep those policies (or any other policy granting equivalent cover) in full force and effect in relation to each Participated Mortgage Loan and the respective property subject of the Participated Mortgage Loan.

Each Servicer shall be bound to advance payment of policy premiums not paid by the borrowers whenever it is acquainted with this circumstance, without prejudice to its right to be reimbursed by the Fund for amounts so paid.

In the event of a claim, each Servicer shall coordinate actions for collecting compensations derived from the property damage insurance policies on the terms and conditions of the Participated Mortgage Loans and the actual policies, paying the amounts received, if any, to the Fund.

7. Information.

Each Servicer shall regularly communicate to the Management Company the information concerning the individual characteristics of each of the Participated Mortgage Loans, fulfilment by the borrowers of their obligations under the Participated Mortgage Loans, delinquency status, changes in the characteristics of the Participated Mortgage Loans, actions in the event of late payment and auction of properties, the foregoing all subject to the procedures and within the time-periods established in the Servicing Agreement.

Each Servicer shall prepare and hand to the Management Company such additional information concerning the Participated Mortgage Loans or the rights attaching thereto as the Management Company may reasonably request, and in particular the documents required for the Management Company, as the case may be, to bring legal actions.

8. Liabilities of the Servicers.

The Servicers shall at no time have any liability whatsoever in relation to the obligations of the Management Company as manager of the Fund and manager of Bondholders' interests, nor in relation to the obligations of the Obligors derived from the Participated Mortgage Loans, without prejudice to the liabilities undertaken thereby in the Deed of Constitution as Originators of the Mortgage Certificates subscribed for by the Fund.

The Servicers shall be liable to indemnify the Fund or its Management Company against any damage, loss or expense incurred by the latter due to a breach by the Servicer of its duties to custody, service and report on the Participated Mortgage Loans.

9. Participated Mortgage Loan subrogation.

The Servicers shall be authorised to permit subrogations in the position of the Obligor under the Participated Mortgage Loan agreements, exclusively where the characteristics of the new mortgagor are at least similar to those of the former mortgagor and those characteristics observe the policies for granting mortgage loans described in the relevant Memorandum on Policies for Granting Mortgage Loans attached to the Fund Deed of Constitution, and moreover provided that the expenses derived from that change are fully borne by the Obligors. The Management Company may fully or partially limit this authority of the Servicers or lay down conditions therefor, in the event that there might be consequences being howsoever detrimental to the rating accorded to the Bonds by the Rating Agency.

The Obligor may apply for subrogation to the Servicer in connection with the Participated Mortgage Loans pursuant to Mortgage Loan Subrogation and Amendment Act 2/1994. Subrogation of a new creditor under the Participated Mortgage Loan and the ensuing payment of the amount due shall result in a prepayment of a Participated Mortgage Loan and of the relevant Mortgage Certificate.

10. Authorities and actions in relation to Participated Mortgage Loan renegotiation procedures.

No Servicer may not voluntarily cancel the Participated Mortgage Loans or their mortgages or securities for any reason other than payment of the Loan, relinquish or settle in regard thereto, forgive the Participated Mortgage Loans in full or in part or extend the same, or in general do anything that may diminish the status, enforceability at law or economic value of the mortgage or of the Participated Mortgage Loans, without prejudice to its proceeding to heed requests by the Obligors with the same diligence and procedure as if the loans were not participated.

Notwithstanding the above, the Management Company may, as manager of third-party business, and bearing in mind the Obligors' requests to the Servicer directly or under Mortgage Loan Subrogation and Amendment Act 2/1994, issue instructions to or authorise the Servicer previously to agree with the Obligor, subject to the terms and conditions of this section, for a novation changing the relevant Participated Mortgage Loans, either by an interest rate renegotiation or by an extension of the maturity period, provided that this is not detrimental to the ranking of the Participated Mortgage Loans.

a) Renegotiating the interest rate.

The Servicer may under no circumstance entertain on its own account and without being so requested by the Obligor, interest rate renegotiations which may result in a decrease in the interest rate applicable to a Participated Mortgage Loan.

In any event, any renegotiation subscribed by the Servicer shall be made exclusively with the prior written consent of the Management Company, on behalf of the Fund, and the Servicer agrees to seek such consent from the Management Company as soon as it is aware that an Obligor has requested a renegotiation, which shall be taken on and settled bearing in mind the Fund's interests.

Nevertheless, the amount of the sum of the initial capital or principal of the Mortgage Certificates for the Participated Mortgage Loans in connection with which an interest rate renegotiation takes place may not exceed 5.00% of the total initial capital or principal of the Mortgage Certificates.

Additionally, in the event of a renegotiation of the interest rate applicable to the Participated Mortgage Loans, the Servicer agrees to pay the Fund, with respect to each Participated Mortgage Loan whose interest was changed and on each relevant Collection Date after the effective renegotiation date, the negative difference between (a) the interest accrued by the Participated Mortgage Loan during the relevant interest settlement period, and (b) the interest accrued by the Participated Mortgage Loan in the same settlement period applying to the loan principal on the settlement date a yearly nominal interest rate equal to the sum of (i) the Bond Reference Rate, as determined in section 11.10.1.c), in force at the beginning of the relevant Interest Accrual Period, and (ii) a 0.55% spread.

b) Extending the period of maturity.

The final maturity or final amortisation date of the Participated Mortgage Loans may be extended (hereinafter “**extending the term**”) subject to the following rules and limitations:

- (i) The Servicer may in no case entertain on its own account, i.e. without it being so requested by the Obligor, a change in the final maturity date of the Participated Mortgage Loan which may result in an extension of that date. The Servicer, without encouraging an extension of the term, shall act in relation to such extension bearing in mind at all times the Fund’s interests.
- (ii) For every Servicer, the aggregate of the initial capital or principal of the Mortgage Certificates issued on the Participated Mortgage Loans with respect to which the maturity date is extended may not exceed 5.00% of the total initial capital or principal of the Mortgage Certificate issued by the Servicer.
- (iii) The term of a specific Participated Mortgage Loan may be extended provided that the following requirements are met:
 - a) That the periodicity of repayment instalments of the capital or principal of the Participated Mortgage Loan is at all events maintained or reduced, albeit keeping the same repayment system in place.
 - b) That the new final maturity or final amortisation date does not extend beyond May 30, 2032.
 - c) That there was no delay with a seniority in excess of one (1) month in payment of amounts due on the Participated Mortgage Loan during the last six (6) months before the effective date of the extension of the term.
- (iv) The Management Company may at any time during the term of the Servicing Agreement, on the Fund’s behalf, cancel or suspend the Servicer’s authorisation to extend the term.

If there should be any renegotiation of the interest rate of a Participated Mortgage Loan or its due dates, the Servicer shall forthwith notify the Management Company of the terms resulting from each renegotiation. Such notice shall be made through the software or data file provided for the terms of the Participated Mortgage Loans to be updated. Both the public deeds and the private agreements pertaining to a novation of the terms of the Participated Mortgage Loans will be kept by the Servicer, in accordance with the provisions of paragraph 2 of this section.

In the event of a renegotiation of the Participated Mortgage Loans, or their due dates, consented to by the Management Company, for and on behalf of the Fund, the change in the terms shall affect the Fund in accordance with rule fifteen, section 2d) of Bank of Spain Circular 4/91, June 16, pursuant to which assignment agreements shall specify that the assignor shall not be howsoever liable for the obligor's default of either principal or interest on the debt; they shall moreover specify that, in the event of renegotiation of the assigned asset, or its due dates, the change in terms shall affect the assignee of the asset.

11. Remedies of the holder of the Mortgage Certificates in the event of breach of obligations by the Obligor.

Each Servicer shall apply the same diligence and the same procedure for claiming amounts due on the Participated Mortgage Loans as those applied to the rest of its portfolio loans. The Servicer shall as a general rule apply for foreclosure, advancing all necessary expenses to do so, if, for a period of six (6) months, the Obligor under a Participated Mortgage Loan in default of payment obligations should fail to resume payments or the Servicer, with the Management Company's consent, should fail to obtain a payment undertaking satisfactory to the interests of the Fund, and shall in any event forthwith proceed to apply for such foreclosure if the Management Company, on behalf of the Fund, should deem this fit after analysing the specific circumstances of the case.

In the event of default by any Obligor, the Management Company, acting for and on behalf of the Fund, shall have the following remedies provided in article 66 of Royal Decree 685/1982, amended by Royal Decree 1289/1991:

- (i) To demand the Servicer to apply for foreclosure.
- (ii) To take part on an equal standing with the Servicer, as issuer of the Mortgage Certificates, in the foreclosure the latter shall have instituted against the Obligor, intervening to that end in any foreclosure proceedings commenced by the former.
- (iii) If the Servicer should fail to take that action within sixty (60) calendar days of a notice served through a Notary demanding payment of the debt, the Management Company, for and on behalf of the Fund, shall be secondarily entitled to bring the foreclosure action on the participated credit in the amount of its percentage participation in both principal and interest.
- (iv) In the event that the proceedings instituted by the Servicer should come to a standstill, the Fund, duly represented by the Management Company, may be subrogated in the position of the former and continue the foreclosure proceedings, without the above period having to elapse.

In the cases provided in paragraphs (iii) and (iv), the Management Company, for and on behalf of the Fund, may apply to the Judge or Notary with jurisdiction to commence or continue with the respective foreclosure proceedings, attaching to the application the original Mortgage Certificate document, the notice served through a Notary Public provided in section (iii) above and an office certificate as to the registration and subsistence of the mortgage. The Servicer shall be bound to issue a certification of the balance outstanding on the Participated Mortgage Loan.

If this should be required by law, and for the purposes of the provisions of the Civil Procedure Act, the Servicers shall each confer in the Deed of Constitution an irrevocable and as extensive and sufficient a power of attorney as may be required by Law in order for the Management Company, acting for and on

behalf of the Servicers, to demand through a Notary Public payment of the debt by a Obligor under any of the Participated Mortgage Loans.

The Management Company, for and on behalf of the Fund as holder of the Mortgage Certificates, may also take part with equal rights with the Servicers in the foreclosure proceedings and may in this sense, on the terms for which provision is made in the Civil Procedure Act, request the award of the mortgaged property as payment of the Participated Mortgage Loan. The Management Company shall proceed to sell the property awarded within the shortest possible space of time and at arm's length.

Additionally, each Servicer will provide the Management Company with all such documents as the latter may request in relation to the Participated Mortgage Loans and in particular the documents required for the Management Company to take legal actions, as the case may be.

12. Recovery action against the Servicers.

The Management Company shall, for and on behalf of the Fund, be entitled to file a recovery action against the Servicers claiming the principal and interest falling due under the Mortgage Certificates, where the breach of the obligation to pay those amounts does not result from a default by the Obligors of the Participated Mortgage Loans.

Upon the Participated Mortgage Loans terminating, the Fund shall, through its Management Company, retain a right of action against the Servicers until fulfilment of their obligations.

13. Set-off.

In the event that any of the Obligors under the Participated Mortgage Loans should have a liquid credit right, due and payable vis-à-vis a Servicer, and any of the Participated Mortgage Loans should therefore be fully or partially set-off against that credit, the Servicer shall remedy such circumstance or, if it cannot be remedied, the Servicer shall proceed to pay to the Fund the amount set off plus the accrued interest which would have been payable to the Fund until the date on which the payment is made, calculated on the terms applicable to the relevant Participated Mortgage Loan.

IV.2.2 Guarantee for the Servicers' obligations.

BANCO COOPERATIVO shall irrevocably, unconditionally and jointly and severally, expressly waiving its right to discussion, order and division, stand surety for fulfilment of the following of the Servicers' obligations:

1. That all amounts received by each Servicer (i) from the obligors of the Participated Mortgage Loans derived therefrom, and (ii) all amounts received from the damage insurance contracts attached to the Participated Mortgage Loans assigned to the Fund upon the issue of the Mortgage Certificates, shall be delivered by the Servicer to the Fund, on the terms established in section IV.2.1.3 of this Circular.
2. That in the event of liquidation, receivership or bankruptcy of a Servicer being decreed, it shall hold the Fund harmless for damages deriving for the Fund from such a decree, including specifically all and any damages resulting from a breach by the Servicer of its obligation to service and manage the Participated Mortgage Loans, and shall specifically proceed to pay directly to the Fund all amounts owing to it as principal and interest on the Participated Mortgage Loans backing the Mortgage Certificates included among its assets.

In that event, BANCO COOPERATIVO shall, upon a written request by the Management Company, where that is permitted by Law, take on the duties of servicing and managing the Participated Mortgage Loans theretofore serviced by the Servicer, after duly serving notice on the relevant mortgagors, on terms and conditions identical to those established in the Agreement. The parties agree to execute such documents as may be necessary for that purpose. The substituted Servicer shall provide BANCO COOPERATIVO, upon a request by the Management Company, and as the same may determine, with such documents and data files as may be necessary for the latter to carry on the relevant activities.

3. None of the above guarantees shall be construed as a guarantee to pay in the event of default of the obligors under the Participated Mortgage Loans.

Nevertheless, in the event of a breach by the Servicer of any of the obligations imposed on the Servicer under the Agreement, the Management Company shall be entitled to demand the Servicer to perform as agreed and in both cases to pay the damages so caused.

BANCO COOPERATIVO shall receive no remuneration whatsoever from the Fund for providing the above guarantees.

In the event of a breach by any of the Servicers of the obligation to deliver to the Fund the amounts referred to in paragraph 1 of this guarantee, the Management Company shall, on the Business Day after the date on which it becomes acquainted with this circumstance, properly demand BANCO COOPERATIVO within seven (7) Business Days thereafter, or at all events within that period of time, until the following Payment Date, inclusive, to fulfil the obligations derived from this guarantee, and specifically hand to the Fund the amounts the Servicer shall have received in accordance with paragraph 1 above. Upon the failure within that period by BANCO COOPERATIVO in turn to fulfil the obligations derived from this guarantee, the Management Company shall proceed to take such legal actions as may be available to it.

IV.3 Succinct and short description of the general policies for granting and terms for perfecting established in regard to mortgage loans by the institutions issuing the certificates pooled in the Fund.

IV.3.1 Succinct description of the procedures established by the Originators issuing the Mortgage Certificates for analysing risks and granting mortgage loans.

The final maturity of provisional portfolio mortgage loans falls on dates comprised between August 1, 2004 and May 30, 2032.

At any time during the life of the loans, mortgagors may prepay all or part of the capital pending repayment, in which case the accrual of interest on the part prepaid will cease as of the date on which the repayment occurs.

V.1.2 Analysis of and comments on the impact that potential changes in the assumptions described in the preceding point would have on the financial balance of the Fund.

In order to cover the possible credit risk due to delinquency and default on the Participated Mortgage Loans, it has been resolved to set up a Cash Reserve, initially provisioned drawing under the Subordinated Loan, in order to fulfil on each Payment Date, upon a shortage of Available Funds, certain of the Fund's payment obligations, which include Bond interest payment and amortisation upon final maturity. Furthermore, the deferred interest payment and principal repayment of the Series B Bonds with respect to the Series A Bonds is a means of hedging Series A.

As for the incidence the prepayment of the Participated Mortgage Loans might have on the Bonds, section II.12.a) of this Circular contains a table showing the performance as to average life and duration of the Bonds for different effective constant annual early amortisation or prepayment rates (CPRs).

In general, the quality of the Mortgage Certificates and the mechanisms in place for maintaining the financial balance of the Fund are such that no extreme prepayment, or delinquency and default rates should reasonably be considered resulting, upon both the prepayment risk and the risk of delinquency on the loans being properly transferred, in the financial structure of the Fund being imbalanced. Nevertheless, the ratings assigned by the Rating Agency to each of the Bond Series express the Rating Agency's opinion about the Fund's capacity to meet payments of interest as they fall due on each set Payment Date and of the principal during the life of the transaction.

V.1.3 Number outline of the flow income and expenditure of the Fund.

The number outline set forth hereinafter relates to collections and payments derived from the application of a cash policy, for ease of understanding of the investor, though in accordance with the provisions of section V.2 of this Circular, the Fund will apportion income and expenditure in time in accordance with the accruals principle.

This outline is based not only on the assumptions referred to in section V.1.1 above but also on those assumptions remaining constant throughout the life of the Fund, whereas it is well-known that the relevant variables, particularly interest rates of the Bonds in all Series, and actual interest rates and delinquency, default and prepayment rates on the Participated Mortgage Loans underlying the Mortgage Certificates are subject to continual changes.

Now, therefore, the value of that number outline is merely illustrative.

V.2 Accounting policies used by the Fund.

The income and expenditure will be accounted for by the Fund in accordance with the accruals principle, i.e. according to the actual flow of such income and expenditure, irrespective of the time when they are collected and paid.

The expenses of setting up the Fund and issuing the Bonds detailed in section II.14 will be subject to a straight-line depreciation during the months elapsing since the constitution of the Fund until November 13, 2007, inclusive.

The Fund's fiscal year shall match a calendar year. However, the first fiscal year will exceptionally begin on the date of constitution of the Fund and the last fiscal year will end on the date on which the Fund terminates.

V.3 Description of the purpose or object of the financial transactions arranged by the Management Company on behalf of the Fund, in order to enhance the risk, increase payment regularity, neutralise interest rate differences on the Mortgage Certificates, or, in general, transform the financial characteristics of all or part of said securities.

In order to consolidate its financial structure and secure as extensive a cover as possible for the risks inherent in the issue, the Management Company will, on behalf of the Fund, proceed upon the execution of the Deed of Constitution to enter into the agreements referred to hereinafter.

The Management Company may, in order for the Fund to operate on the terms provided in the Deed of Constitution, in this Circular and in the laws in force from time to time, acting for and on behalf of the Fund, extend or amend the agreements entered into on the Fund's behalf, substitute each of the service providers to the Fund under those agreements and indeed, if necessary, enter into additional agreements, including new credit facility agreements, and, in exceptional events and where that is legally possible, amend the Deed of Constitution, provided that the Management Company first notifies the CNMV or competent administrative body and the Rating Agency, and that such changes are not detrimental to the rating assigned to the Bonds by the Rating Agency. Notice of amendment of the Deed of Constitution or of the agreements shall be given by the Management Company to the CNMV as a relevant event or as a supplement to the Offering Circular, as the case may be. The Deed of Constitution or the agreements may also be corrected upon a request by the CNMV.

V.3.1 Guaranteed Interest Rate Account (Treasury Account) Agreement.

The Management Company, acting for and on behalf of the Fund, and BANCOVAL shall enter into a Guaranteed Interest Rate Account (Treasury Account) Agreement whereby BANCOVAL will guarantee a variable yield on the amounts paid by the Fund through its Management Company into a financial account. The Guaranteed Interest Rate Account (Treasury Account) Agreement shall specifically determine that all amounts received by the Fund will be paid into a financial account (the "**Treasury Account**") opened at BANCOVAL, in the name of the Fund by the Management Company, which amounts shall mostly consist of the following items:

- (i) cash amount, net of underwriting and placement and management fees, from payment of the subscription for the Bond Issue;
- (ii) principal drawn down under the Start-Up Loan;

- (iii) Mortgage Certificate principal and interest;
- (iv) principal drawn down under the Subordinated Loan and amounts making up the Cash Reserve from time to time;
- (v) any other amounts relating to the Participated Mortgage Loans and from the sale or operation of the real estate or assets awarded or under administration or interim possession in foreclosure proceedings, and all and any rights or indemnities including not only those derived from the damage insurance contracts on the mortgaged properties, but also those derived from any right attached to the Participated Mortgage Loans, including the set fees for each loan;
- (vi) the amounts of the returns obtained on the balances existing in the actual Treasury Account; and
- (vii) the amounts of withholdings on account of the return on investments to be effected on each relevant Payment Date on the Bond interest paid by the Fund, until due for payment to the Tax Administration.

BANCOVAL guarantees an annual nominal interest rate, variable quarterly and settled quarterly, applicable on each interest accrual period, equivalent to the interest rate resulting from decreasing (i) the Reference Rate determined for the Bonds (ii) by a 0.08% margin. The accrued interest to be settled on February 13, May 13, August 13 and November 13 of each year or, as the case may be, the following Business Day, shall be calculated based on: (i) the exact number of days in each interest accrual period, and (ii) a three-hundred-and-sixty (360-) day year.

In the event of (i) of the share of BANQUE INTERNATIONALE A LUXEMBOURG, Société Anonyme (hereinafter “DEXIA BIL”), of which BANCOVAL is a group member, since the former has a share in the latter’s capital of 50.17%, as of October 29, 2002, being reduced, (ii) of the solvency ratio of BANCOVAL being less than the solvency ratio required from time to time, as established in Bank of Spain Circular no. 5/1993, March 26, to Credit Institutions on determining and controlling the required equity, or any rule taking its stead, or (iii) of the long-term debt rating of DEXIA BIL falling below A1 in Moody’s rating scale, the Management Company shall within not more than thirty (30) Business Days from the time of that occurrence put in place, after consulting with Moody’s, any of the options described hereinafter allowing a suitable level of guarantee to be maintained with respect to the commitments derived from the Guaranteed Interest Rate Account Agreement:

- a) Obtaining from an institution having a credit rating for its unsecured and non-subordinated short-term debt of at least P-1 in Moody’s rating scale, a first demand guarantee securing for the Fund, merely upon the Management Company so requesting, prompt payment by BANCOVAL of its obligation to repay the amounts credited to the Treasury Account, during the time over which any of those events is maintained.
- b) Transferring the Fund’s Treasury Account to a credit institution whose non-subordinated and unsecured short-term debt has a rating of at least P-1 in Moody’s rating scale, and arranging the highest possible yield for its balances, which may differ from that arranged with BANCOVAL under the Guaranteed Interest Rate Account Agreement.
- c) Obtaining from the Originators, BANCOVAL or a third party collateral security in favour of the Fund on financial assets with a credit quality of not less than that of Spanish State Government Debt (*Deuda Pública del Estado Español*), in an amount sufficient to guarantee the commitments established in the Agreement.

d) In that same event and if the above options should not be feasible on the set terms, the Management Company may invest the balances for not more than quarterly periods, in short-term fixed-income assets in euros issued by institutions having ratings of at least P-1 for short-term debt in Moody's rating scale, including short-term securities issued by the Spanish State, in which case the yield obtained could also differ from that obtained initially with BANCOVAL under this Agreement.

Moreover, BANCOVAL agrees to notify Moody's and the Management Company forthwith upon the occurrence of any of the events related to the solvency ratio of BANCOVAL, as established in Bank of Spain Circular no. 5/1993, or to the share held by DEXIA BIL in its capital, listed as (i) and (ii) above.

The Guaranteed Interest Rate Account (Treasury Account) Agreement mitigates the risk relating to the timing difference between the Fund's receipts of principal and interest on the Participated Mortgage Loans, which is mostly monthly, and the amortisation and payment of interest on the Bonds, which is quarterly.

V.3.2 Loan Agreements.

The Management Company shall, for and on behalf of the Fund, enter with CAJA RURAL DE ARAGÓN, S.C.C., CAJA RURAL DE NAVARRA, S.C.C., CAJA RURAL DE ZAMORA, S.C.C., CAJA RURAL DEL MEDITERRÁNEO, RURALCAJA, S.C.C., and CAJA RURAL INTERMEDITERRÁNEA, S.C.C. into two Loan Agreements, referred to as the Start-Up Loan Agreement and the Subordinated Loan Agreement, the characteristics of which are as follows.

V.3.2.1 Start-Up Loan Agreement.

Start-Up Loan amounting to EUR two million and twenty thousand (2.020.000), distributed among those Institutions as lenders in proportion to the face value of the Mortgage Certificates issued by each Originator and pooled in the Fund, other than the amount designed to finance the expenses of setting up the Fund and issuing the Bonds, which shall be distributed in equal shares.

The Start-Up Loan amount shall be allocated to financing the expenses of setting up the Fund and issuing the Bonds, to partially financing the subscription for the Mortgage Certificates and the balance for covering the timing differences between collection of interest on the Mortgage Certificates and payment of interest on the Bonds on the first Payment Date.

The loan will accrue an annual nominal interest, determined quarterly for each Interest Accrual Period, which shall be the result of adding: (i) the Reference Rate determined for the Bonds, and (ii) a 1.00% margin. The interest accrued shall be payable on a given Payment Date and shall be calculated based on: (i) the exact number of days in each Interest Accrual Period and (ii) a three-hundred-and-sixty- (360-) day year. This interest will only be paid if the Fund has sufficient liquidity in the Fund Priority of Payments.

Interest accrued and not paid on a Payment Date will be accumulated and accrue a late-payment interest at the same rate as that of the loan and will be paid, provided that the Fund has sufficient liquidity, and in the Priority of Payments, on the following Payment Date.

The Loan principal shall be repaid in twenty (20) quarterly instalments in an equal amount, on each Payment Date, the first of which shall be the first Payment Date, February 13, 2003, and the following dates until the Payment Date falling on November 13, 2007, inclusive.

In the event that the Fund should not have sufficient liquidity, in the Priority of Payments, on a Payment Date to proceed to the repayment falling due on the Start-Up Loan, then the portion of principal not repaid shall be repaid on the following Payment Date along with the amount that should be repaid on that same Payment Date, as the case may be, until it is fully repaid.

Payment of amounts not paid on preceding Payment Dates shall take precedence over amounts falling due under the Loan on that Payment Date, satisfying in the first place overdue interest and secondly repayment of principal, in the Fund Priority of Payments.

V.3.2.2 Subordinated Loan Agreement.

Subordinated Loan amounting to EUR nine million six hundred and twenty thousand (9,620,000), distributed among those Institutions as lenders in proportion to the face value of the Mortgage Certificates issued by each Originator and pooled in the Fund.

The Subordinated Loan amount shall be used for initially provisioning the Cash Reserve on the terms established in section III.4.3 of the Offering Circular.

The loan will accrue an annual nominal interest, determined quarterly for each Interest Accrual Period, which shall be the result of adding: (i) the Reference Rate determined for the Bonds, and (ii) a 1.00% margin. The interest accrued shall be payable on a given Payment Date and shall be calculated based on: (i) the exact number of days in each Interest Accrual Period and (ii) a three-hundred-and-sixty- (360-) day year. This interest will only be paid if the Fund has sufficient liquidity in the Fund Priority of Payments.

Interest accrued and not paid on a Payment Date will be accumulated and accrue a late-payment interest at the same rate as that of the loan and will be paid, provided that the Fund has sufficient liquidity, and in the Priority of Payments, on the following Payment Date.

Repayment shall be made on each of the Payment Dates in an amount equal to the existing difference between the amount of the Required Cash Reserve on the preceding Payment Date and the amount of the Required Cash Reserve on the ongoing Payment Date. In the event that the Fund should not have sufficient liquidity, in the Priority of Payments, on a Payment Date to proceed to the repayment falling due on the Subordinated Loan, then the portion of principal not repaid shall be repaid on the following Payment Date along with the amount that should be repaid on that same Payment Date, as the case may be, until it is fully repaid.

Amounts not paid on preceding Payment Dates shall be paid with priority over amounts falling due under the Loan on that Payment Date, satisfying in the first place overdue interest and secondly repayment of principal, in the Fund Priority of Payments.

The Subordinated Loan Agreement shall be fully terminated in the event that the Rating Agency should not confirm the provisional ratings assigned to each of the Bond Series as final by the start of the Subscription Period.

V.3.3 Participated Mortgage Loan Servicing Agreement.

CAJA RURAL DE ARAGÓN, S.C.C., CAJA RURAL DE NAVARRA, S.C.C., CAJA RURAL DE ZAMORA, S.C.C., CAJA RURAL DEL MEDITERRÁNEO, RURALCAJA, S.C.C., and CAJA RURAL INTERMEDITERRÁNEA, S.C.C., Originators of the Participated Mortgage Loans issuing the Mortgage Certificates to be subscribed for by the Fund (hereinafter in regard to this Agreement the “**Servicer(s)**”), and BANCO COOPERATIVO as surety for

some of the Servicers' obligations, shall enter with the Management Company, for and on behalf of the Fund, into the Participated Mortgage Loan Servicing Agreement (the "**Servicing Agreement**") whereby each of said Servicers, in accordance with the provisions of the Deed of Constitution and in accordance with Royal Decree 685/1982, March 17, regulating certain aspects of the Mortgage Market, amended by Royal Decree 1289/1991, August 2, shall as attorneys for the Management Company on behalf of the Fund, (i) custody and service the Participated Mortgage Loans backing the Mortgage Certificates; and (iii) manage collection of and receive, on behalf of the Fund, such amounts as may be paid by the Obligors under the Participated Mortgage Loans backing the Mortgage Certificates, proceeding to pay the amounts owing to the Fund.

The terms of the Servicing Agreement are described in sections IV.1.g) and IV.2 of this Circular.

The Servicing Agreement shall be fully terminated in the event that the Rating Agency should fail by the start of the Subscription Period to confirm the ratings provisionally assigned to each of the Bond Series as the final ratings.

V.3.4 Bond Issue Management, Underwriting and Placement Agreement.

The Management Company shall, for and on behalf of the Fund, enter into a Bond Issue Management, Underwriting and Placement Agreement with BANCO COOPERATIVO ESPAÑOL S.A., CREDIT AGRICOLE INDOSUEZ, Sucursal en España and DZ BANK AG DEUTSCHE ZENTRAL-GENOSSENSCHAFTSBANK as Lead Managers and Underwriters and Placement Agents, and with AHORRO CORPORACIÓN FINANCIERA, S.V. S.A., BANCO ESPAÑOL DE CRÉDITO, S.A., BANKINTER, S.A., BANCO BILBAO VIZCAYA ARGENTARIA, S.A., BCP INVERSIÓN - BANCO COMERCIAL PORTUGUÉS DE INVERSIÓN, S.A., BNP PARIBAS, S.A., SOCIEDAD ESPAÑOLA DE BANCA DE NEGOCIOS PROBANCA S.A., NATEXIS BANQUES POPULAIRES S.A., SOCIÉTÉ GÉNÉRALE, SUCURSAL EN ESPAÑA and TOKYO-MITSUBISHI INTERNATIONAL PLC as Underwriters and Placement Agents.

The Bond Issue Underwriters and Placement Agents take on the obligations contained in the Management, Underwriting and Placement Agreement, which are basically the following: 1) securing placement by a third-party subscription for the Bond Issue; 2) an undertaking to subscribe for the Bonds not subscribed when the Subscription Period is closed, up to the set amounts; 3) paying to the Paying Agent by 1pm on the Closing Date, same day value, the Bond subscription amount underwritten by each of them, deducting the sum of the underwriting and placement fee accrued by them, and the management fee in the case of the Lead Managers, whereupon the Paying Agent shall pay to the Fund by 2pm on that same day, same day value, the amount paid to it by the remaining Underwriters and Placement Agents plus the sum of the face amount of its own underwriting commitment, deducting the sum of the underwriting and placement and management fees accrued in its favour; 4) an undertaking to pay late-payment interest as covenanted in the Agreement in the event of late payment of the amounts due; 5) providing subscribers with a document proving subscription; and 6) other aspects governing the underwriting and placement.

The underwriting commitments of each Underwriting and Placement Agent and the underwriting and placement fees for each of the Series are specified in section II.19.1 of this Circular.

BANCO COOPERATIVO, CREDIT AGRICOLE INDOSUEZ and DZ BANK shall be involved as Lead Managers in the Bond Issue. They shall each receive a fee for managing the Bond Issue of EUR fifty-two thousand (52,000).

The Management, Underwriting and Placement Agreement shall be fully terminated in the event that the Rating Agency should not confirm the provisional ratings assigned to each of the Bond Series as final by the start of the Subscription Period.

V.3.5 Bond Paying Agent Agreement.

The Management Company shall, for and on behalf of the Fund, enter with BANCO COOPERATIVO into a Paying Agent agreement to service the Bonds issued by the Fund.

The obligations contained in the Paying Agent Agreement are summarily as follows:

- (i) Paying to the Fund by 2pm on the Closing Date, crediting the Treasury Account, same day value, the aggregate amount of the subscription for the Bond Issue received from the Underwriters and Placement Agents, as established in the Bond Issue Management, Underwriting and Placement Agreement.
- (ii) On each of the Bond Payment Dates, paying interest and repaying principal on the Bonds, deducting the total amount of the withholding tax for return on investments that should be made in accordance with applicable tax laws.
- (iii) On each of the Interest Rate Fixing Dates, notifying the Management Company of the Reference Rate determined to be used as the basis for calculating the nominal interest rate applicable to each of the Bond Series.

In consideration of the services to be provided by the Paying Agent, the Fund shall pay to it during the term of the agreement a fee of EUR seventy-five (75), inclusive of taxes, if any, payable on each Bond Payment Date, provided that the Fund has sufficient liquidity and in the Priority of Payments.

In the event that the Fund should not have sufficient liquidity to pay said full fee, then the amounts accrued and not paid shall be accumulated without any penalty whatsoever to the fee falling due on the next Payment Date, unless that absence of liquidity should continue, in which case the amounts due shall build up until the Payment Date on which that situation is no longer current.

The Paying Agent Agreement shall be fully terminated in the event that the Rating Agency should not confirm the provisional ratings assigned to each of the Bond Series as final by the start of the Subscription Period.

V. 3.6 Financial Intermediation Agreement.

The Management Company shall, for and on behalf of the Fund, enter with CAJA RURAL DE ARAGÓN, S.C.C., CAJA RURAL DE NAVARRA, S.C.C., CAJA RURAL DE ZAMORA, S.C.C., CAJA RURAL DEL MEDITERRÁNEO, RURALCAJA, S.C.C., and CAJA RURAL INTERMEDITERRÁNEA, S.C.C. into a Financial Intermediation Agreement designed to remunerate these institutions for the financial intermediation process carried out, enabling the financial transformation defining the Fund's activity, the subscription by the Fund of the Mortgage Certificates and the satisfactory rating assigned to each of the Bond Series.

Those institutions shall be entitled to receive from the Fund a variable subordinated remuneration which shall be determined annually as an amount equal to the positive difference, if any, between the income and expenditure accrued by the Fund with reference to its accounts and before the close of each fiscal year, reduced, as the case may be, by the amount of losses brought forward from preceding years, which may be set

off to adjust the year's book profit or loss for the purposes of settling the annual Corporation Tax. Part payments in this connection, which may be made on each Payment Date, calculated on the last day of the month preceding the Payment Date and in the Fund Priority of Payments, shall be considered to be payments on account of the annual remuneration.

Furthermore, when the amount of the annual remuneration at the close of a fiscal year of the Fund is less than the aggregate amount of the quarterly interim payments made during that fiscal year on each of the Payment Dates, those Institutions shall be bound, upon the Management Company so requesting, to reimburse to the Fund the difference between the quarterly interim payments received and the annual remuneration due to it. The reimbursement to the Fund may under no circumstances exceed the amount of the interim payment theretofore made in the relevant fiscal year.

If the Fund should not have sufficient liquidity on a Payment Date in the Fund Priority of Payments to pay the full remuneration, the amount not paid shall accumulate without any penalty whatsoever on the remuneration payable on the following Payment Date until it is paid in full.

The Financial Intermediation Agreement shall be fully terminated in the event that the Rating Agency should not confirm the provisional ratings assigned to each of the Bond Series as final by the start of the Subscription Period.

V.3.7 Mortgage Certificate Custody Agreement.

The Management Company shall, for and on behalf of the Fund, enter with BANCO COOPERATIVO into a Mortgage Certificate Custody Agreement. That custody shall be established for the benefit of the Fund and BANCO COOPERATIVO shall therefore custody the Mortgage Certificates deposited following instructions received from the Management Company.

In consideration of the services to be provided by the Custodian, the Fund shall pay to it during the term of the agreement a fee of 0.01 per thousand, inclusive of taxes, if any, on the average daily Outstanding Balance of the Mortgage Certificates during each Interest Accrual Period, payable on each Bond Payment Date, provided that the Fund has sufficient liquidity and in the Priority of Payments.

If due to a shortage of liquidity in the Fund Priority of Payments, the Fund should, through its Management Company, fail on a Payment Date to pay the full fee due, the amounts not paid shall accumulate without any penalty whatsoever on the fee payable on the following Payment Dates, whereupon they shall be paid.

The Mortgage Certificate Custody Agreement shall be fully terminated in the event that the Rating Agency should not confirm the provisional ratings assigned to each of the Bond Series as final by the start of the Subscription Period.

CHAPTER VII

RECENT EVOLUTION AND PROSPECTS OF THE MORTGAGE MARKET IN GENERAL AND OF THE MORTGAGE LOAN MARKET IN PARTICULAR WHICH COULD AFFECT THE FINANCIAL PROSPECTS OF THE MORTGAGE SECURITISATION FUND

VII.1 Most recent significant trends in the Mortgage Market in general and of the mortgage loan market in particular in relation to the legal framework, with the development of interest rates, and prepayment and delinquency rates:

The Spanish mortgage market has in recent years undergone a major transformation in regard to both its laws and the prevailing interest credit institutions have developed in the market.

The object of most recent regulations has been to provide mortgagors with a greater power to negotiate the terms of loans, and reduce certain costs attached to loan renegotiation. In this sense, in addition to Mortgage Loan Subrogation and Amendment Act 2/94, March 30 (making provision for the possibility of substituting and renegotiating the economic terms of loans, reducing both tax and fee costs, and reducing floating interest rate loan prepayment charges), two measures were taken designed to cheapen transaction costs in mortgage loan subrogation and amendment and novation transactions: on the one hand, the agreement made between the Economy Ministry and banks and savings banks, lowering charges; and on the other the approval of Royal Decree 2616/1996, December 20, modifying both notarial and registration fees in mortgage loan subrogation and novation transactions under that Act 2/94

Moreover, the substantial cut in interest rates in recent years along with an enhanced competitiveness among credit institutions in this segment of financing given its strategic character with a view to fidelising customers, has fostered a considerable increase in prepayment rates of mortgage loans remaining with interest rates in excess of those prevailing in the mortgage market from time to time, upon the failure by the lenders to renegotiate the financial terms.

In any event, it should therefore be borne in mind that mortgage loan prepayment shall take place irrespective of such Mortgage Loan Subrogation and Amendment Act, for the possibility or advisability of so doing shall be prompted not only by the facilities given in that connection but by such more determinant factors as mainly seniority and higher interest rate of the loans in relation to those offered from time to time.

VII.2 Implications that might derive from the trends remarked in the preceding point VII.1 (prepayment rate, default rate, et cetera):

The Participated Mortgage Loans backing the Mortgage Certificates subscribed for by the Fund all have a floating interest rate and are adjusted from time to time to market interest rate variations. Because of this, a high prepayment rate of the Participated Mortgage Loans is not to be expected. The provisions established for the renegotiation for determining the interest rate of loans that might be in upper ranges in relation to the market level from time to time should also be borne in mind.

As for the Obligor's creditworthiness, as set forth in section IV.4.h), some of the provisional portfolio mortgage loans which shall serve to back the issue of the Mortgage Certificates were liable at October 23, 2002 for arrears of up to 90 days in payment of amounts due, which situation was checked, as explained in paragraph II.12 of the audit report attached as Appendix V to this Circular. Nevertheless, the Participated Mortgage Loans that will finally back the issue of Mortgage Certificates for the Fund to be set up shall have no overdue amounts on the date of issue for a period in excess of one (1) month.
