\*Incluye en su caso los activos titulizados clasificados como dudosos/fallidos por duda razonable sobre reembolso total. En los informes generados a partir de agosto de 2015, incluye además los activos titulizados dados de baja por adjudicación judicial o dación en pago de los inmuebles hipotecados, aunque se encontraran en mora por un periodo inferior al analizado en este informe. \*Includes, as the case may be, securitised assets classified as doubtful/bad debts because full repayment thereof is reasonably to be doubted. In reports generated from August 2015 this moreover includes securitised assets removed following an award by the court or accepted in lieu of foreclosure of the mortgaged properties, even if they had been in arrears for a period shorter than that analysed in this report. Computation of those securitised assets takes into account both the date on which the award or acceptance in lieu of foreclosure of the property is booked and the outstanding principal balance immediately before that date.

\*Incluye en su caso los activos titulizados clasificados como dudosos/fallidos por duda razonable sobre reembolso total. En los informes generados a partir de agosto de 2015, incluye además los activos titulizados dados de baja por adjudicación judicial o dación en pago de los inmuebles hipotecados, aunque se encontraran en mora por un periodo inferior al analizado en este informe. Para el cómputo de estos activos titulizados se contempla la fecha en la que se contabiliza la adjudicación o dación en pago del inmueble y el saldo vivo del principal inmediatamente anterior a esa fecha.

\*Includes, as the case may be, securitised assets classified as doubtful/bad debts because full repayment thereof is reasonably to be doubted. In reports generated from August 2015 this moreover includes securitised assets removed following an award by the court or accepted in lieu of foreclosure of the mortgaged properties, even if they had been in arrears for a period shorter than that analysed in this report. Computation of those securitised assets takes into account both the date on which the award or acceptance in lieu of foreclosure of the property is booked and the outstanding principal balance immediately before that date.
